Dr. J. Soloman Thangadurai

DATE: 22-02-2024

TIME AND VENEUE: 10:00 – 12:00, VPT

SESSION TOPIC: Awareness on study in abroad programs

DATE: 22-02-2024

GUEST SPEAKER: H Abdul Navas, Senior Manager, KC Overseas – Osprey Academy.

REPORT

The awareness program about overseas opportunities was conducted for the second and third year students of SRM FSH, department of Commerce by Osprey academy.

The program aimed to raise awareness about the various international educational opportunities available to students and equip them with the necessary information to begin their study abroad journey.

The session speaker was the senior consultant of the Osprey academy. He gave information about all the opportunities available for the students wishing to do their master's degree in countries like USA, UK, Canada, Germany, Ireland and various other countries.

He gave insights on the opportunities available for students from different backgrounds. Students with computer science backgrounds have more opportunities in Ireland and Germany whereas finance background students have opportunities in USA, UK and Australia.

He explained how his academy would help the students in getting their visa and all the required documents for overseas studies. He also spoke about the importance of studying in a good college to boost up skills required for building a career. He gave details regarding the courses offered by the Osprey Academy such as IELTS, GMAT, CAT.

Students gained a broader understanding of the diverse study abroad options available to them. Presentations and discussions provided students with valuable information to consider while planning their study abroad journey.
