CONSUMER RIGHTS AWARENESS PROGRAM 2024

REPORT:

The Consumer Rights Awareness Program, organized by the Department of Commerce in collaboration with the National Service Scheme (NSS), was a significant endeavour aimed at enlightening individuals about their rights as consumers. Held at the VPT block, the event commenced promptly at 2 p.m., setting the stage for an engaging and insightful session.

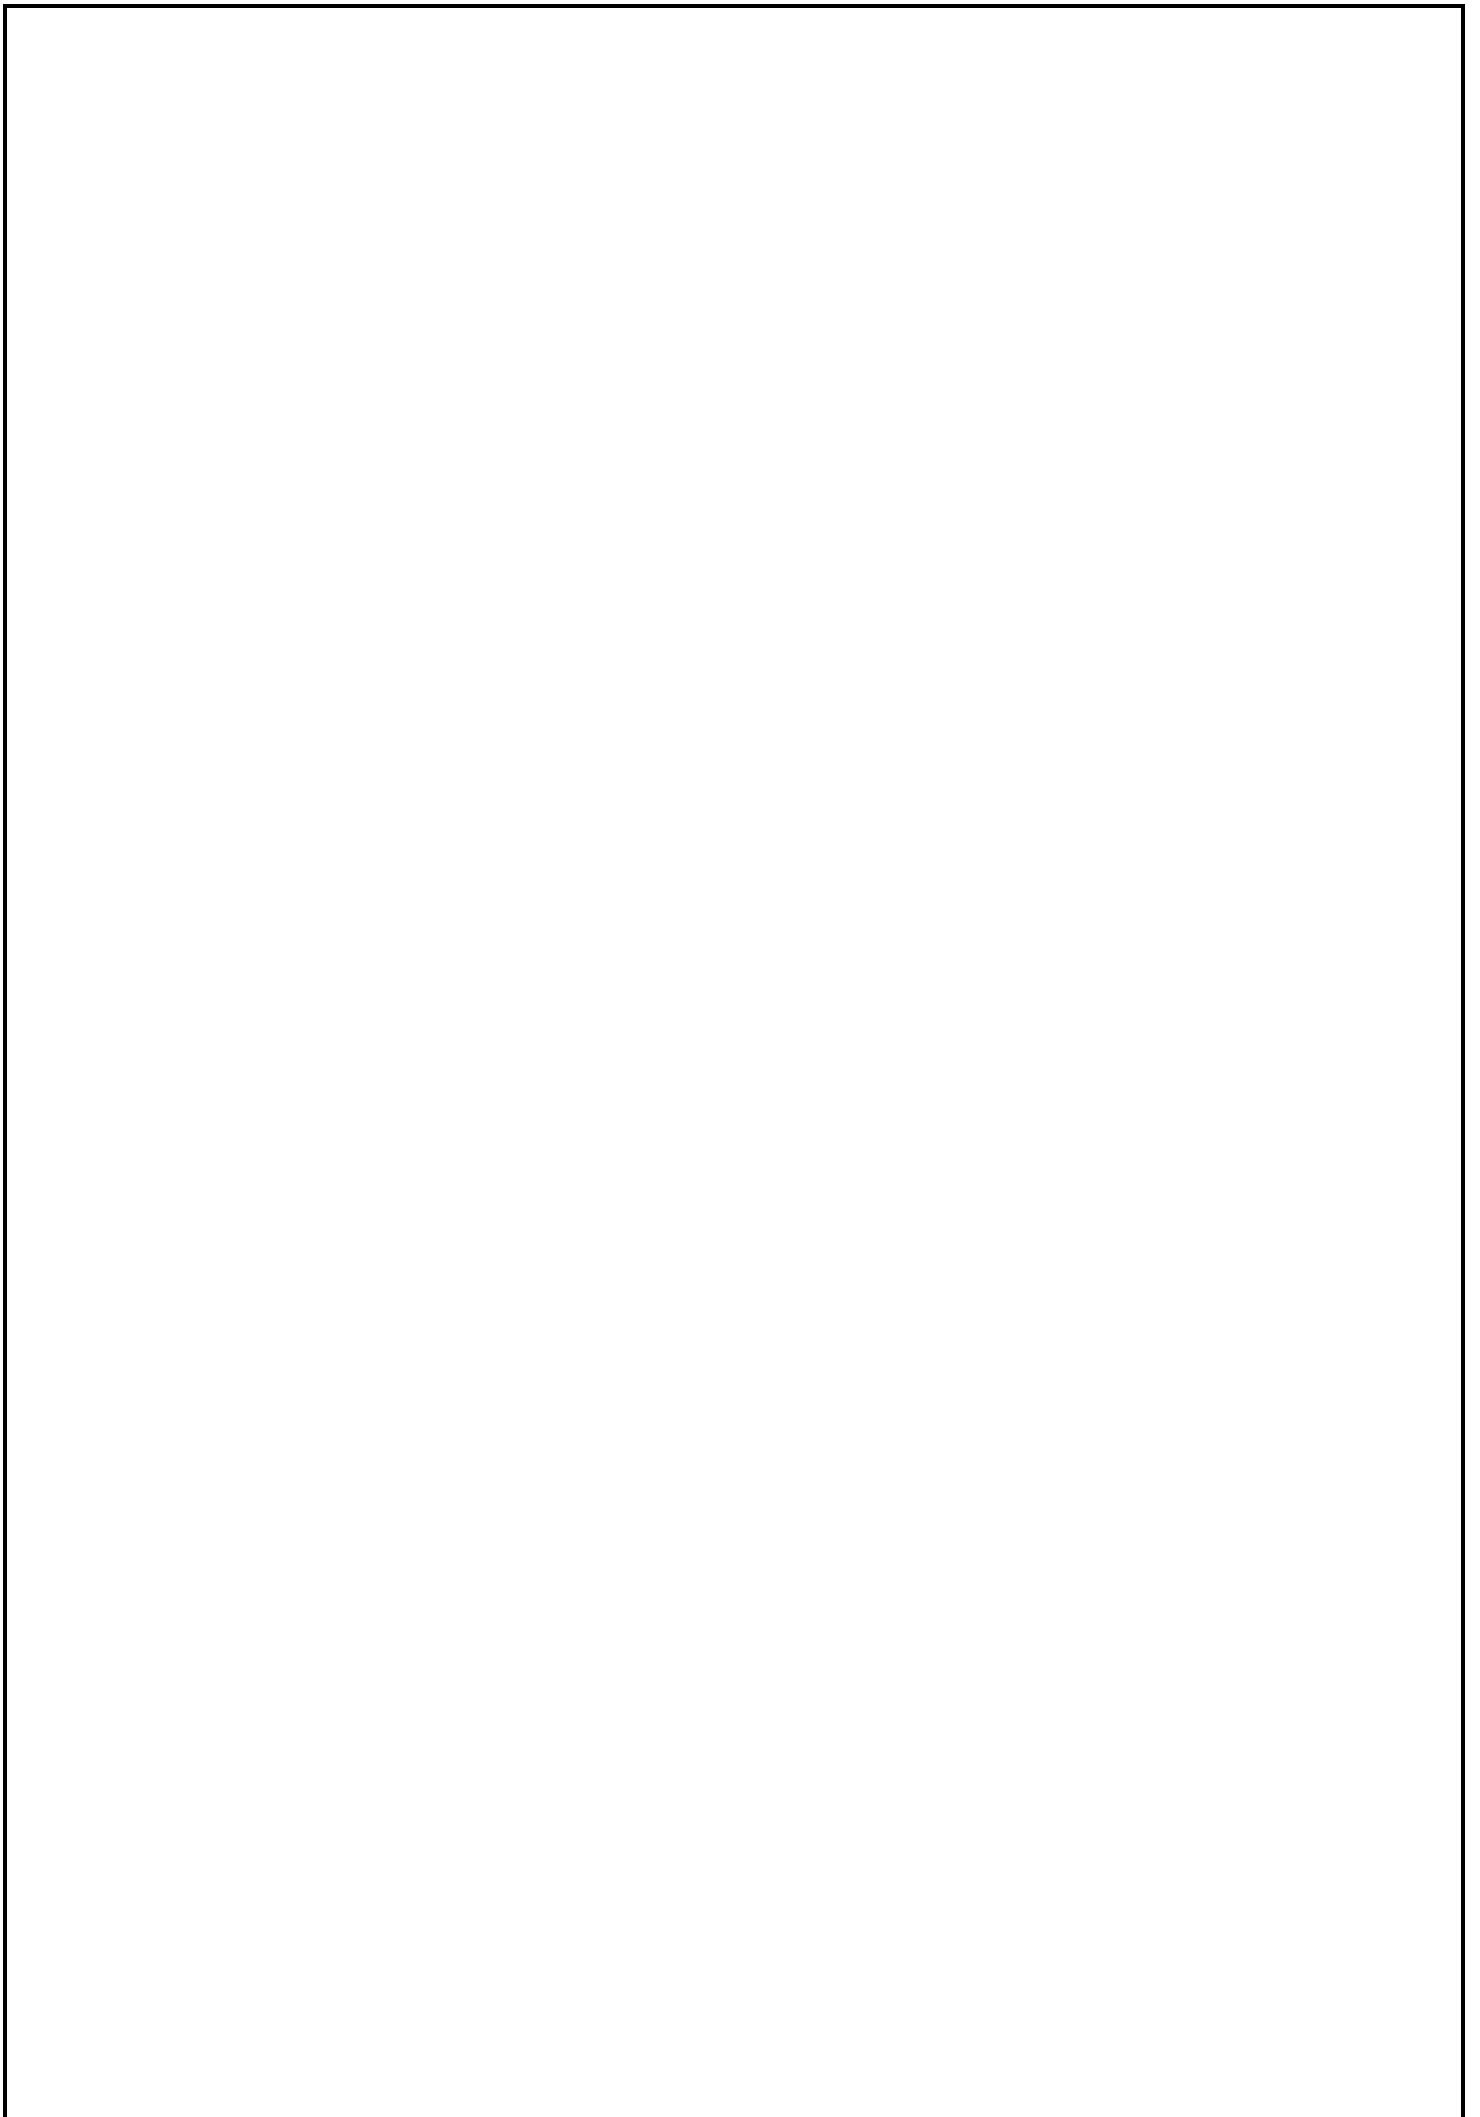

Central to the program was the integration of a Mime play, ingeniously designed to align with the agenda of consumer rights awareness. This creative approach served as a compelling medium to convey crucial messages and scenarios related to consumer protection, effectively capturing the attention and imagination of the participants.

The presence of esteemed dignitaries further enriched the program's impact. Dr R. Angayarkanni, the Head of the Department of Commerce, Dr. K.Selvasundaram Head of the Department of CS and AF, Dr. Prakash, the University NSS Coordinator and Dr. S. Antony Raj, Program Coordinator graced the occasion with their presence, underscoring the institutional commitment to promoting consumer empowerment and advocacy.

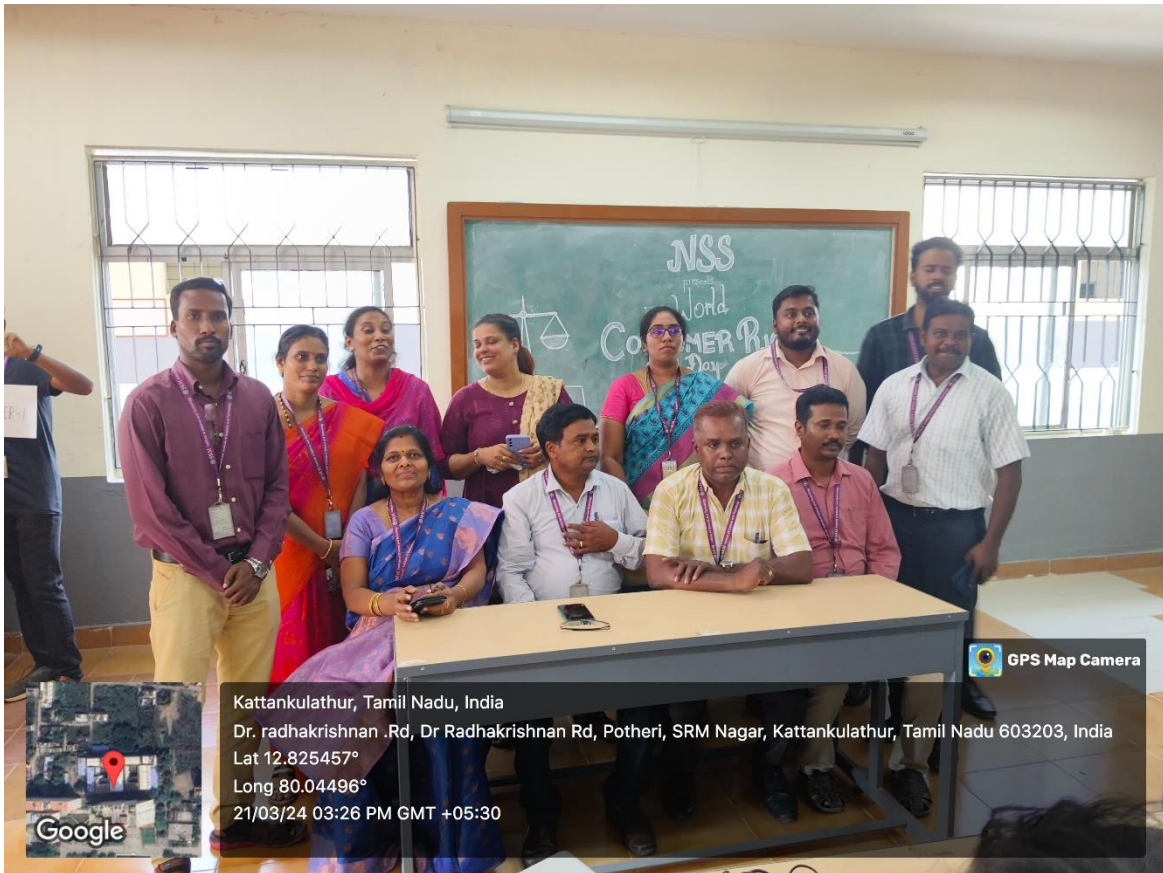

Throughout the event, emphasis was placed on the importance of consumer rights in fostering a fair and equitable marketplace. Furthermore, the collaboration with NSS underscored the broader societal significance of the program. NSS, known for its dedication to community service and social responsibility, provided a platform to highlight the interconnectedness between consumer rights and societal welfare. Through initiatives like the Consumer Rights Awareness Program, NSS exemplifies how giving back to society is not just a moral imperative but also a practical means of effecting positive change.

By engaging in activities that promote consumer awareness and education, NSS members contribute to the empowerment and upliftment of communities. Through their volunteer efforts, they advocate for the rights and interests of consumers, thereby fostering a culture of accountability and transparency within the marketplace.

In conclusion, the Mime on Consumer Rights Awareness Program, facilitated by the Department of Commerce in association with the NSS Coordinator, underscores the critical importance of consumer rights in today's society. By imparting knowledge and fostering civic engagement, such initiatives not only empower individuals but also serve as catalysts for social change. Through continued collaboration and advocacy, we can work towards a future where consumer rights are upheld, and societal well-being is prioritized.
