Report on the Ethical Dilemmas in Audit Reporting:

An Event for the subject “Audit and Assurance” – UCM23402J held as on 12th February, 2025 through our department Alumni batch 2021 – 2024, organised by Dr. M. Hemanathan and Dr. G. Sangeetha, it was an insightful and engaging session that brought together students to discuss the evolving landscape of auditing practices. The event aimed to enhance awareness about the auditing trends, regulatory updates, and roles, responsibilities with procedures in modern audit processes.

This event commenced with a keynote speech by Jeanne Sancia Machado, ACCA with an imperative concept of Audit internal controls and regulation, followed by Shreya Nandhini, ACCA, deliberate about the Audit instruments, ethics to be followed. It renowned with experts skills in audit and compliance, which emphasized the critical role of transparency, accountability, and ethical auditing in ensuring corporate governance.

Students from our B.com Students gained the industry insights, regulatory knowledge, critical thinking, risk management skills, networking opportunities, career guidance, and exposure to audit technology trends.

The interactive session provided real-world examples of successful audit strategies, demonstrating how organizations can enhance compliance and risk assessment. The event concluded with a dynamic Q&A session, where attendees engaged with experts on pressing audit issues. Overall, the event was highly informative and impactful, equipping professionals with knowledge and strategies to improve auditing standards, enhance financial assurance, and adapt to regulatory developments.
