

Name of the Professional Body: **IEI CINTEL STUDENTS' CHAPTER**

About the Club (Not more than 20 Lines)

**Objective of the Chapter:** To promote and enhance multidisciplinary skills among the engineering students

**Collaborating Professional Society / Institution:** IEI (The Institution of Engineers India)

**Name of the Faculty Coordinator:** Dr.M.Maheswari / Dr.S.Karthick

The IEI Student Chapter organizes a variety of activities aimed at enriching the student experience:

**Technical Workshops and Seminars:** Regular events featuring experts from various engineering disciplines who share their knowledge and experiences.

**Competitions and Hackathons:** Engaging students in problem-solving and innovation through contests that challenge their technical and creative abilities.

**Industry Visits:** Arranging tours to leading companies and research institutions to give students insights into real-world engineering applications.

**Guest Lectures:** Inviting prominent engineers and industry leaders to discuss emerging trends, career opportunities, and technological advancements.

**Community Service Projects:** Encouraging students to apply their skills for social good through community-oriented engineering projects and outreach programs.
