

Technical Exhibition

A technical exhibition organized concurrently with NSEST – 2025 offers the companies to promote their latest developments and products in the field of electrochemistry, energy, environment and corrosion, while ensuring the quality of business contacts. About 200 researchers, scientists, industrialists and allied professionals from all over the country are expected to attend the NSEST-2025. Exhibition stalls will be allotted on first come first serve basis. Further information about the stalls can be obtained from the convener of the conference. The fee for the standard stall (3m x 3m) for Indian company/organization is Rs. 50,000/- plus GST 18%. The stall contains standard power supply, lighting, table, chairs and display boards for displaying pamphlets and charts. Free registration for two delegates is permitted.

Registration fee is payable by online favouring

NATIONAL SYMPOSIUM ON ELECTROCHEMICAL SCIENCE AND TECHNOLOGY (NSEST - 2025)

Focused Theme:
Self-Reliance in Electrochemical Technologies

August 28-29, 2025

Organised by

THE ELECTROCHEMICAL SOCIETY OF INDIA

IISc Campus, Bengaluru-560012,

SRM Institute of Science and Technology

Kattankulathur - 603203,

&

Indian Institute of Technology Madras

Chennai - 600036

SRM
INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

ECS IIT MADRAS
Student Chapter

Venue:
Dr. T. P Ganesan Auditorium, SRMIST

This symposium meets SDG 7 & 9

Category 1
with 12B Status

(2024)
12th Ranked University

(2025) World Ranking
one among 46 Indian Universities

(2024) World Ranking
one among 91 Indian Universities

QS 4 Star Rated Globally

(2024) World Ranking
Ranked 5-7 in Indian Universities

ABOUT NSEST-2025

The Annual "National Symposium on Electrochemical Science and Technology", NSEST – 2025 provides a platform for those working in the area of electrochemical science and technology from R&D, academia, and industry to present their findings to interact and deliberate on different aspects of electrochemical science and technology. It provides an exclusive platform for graduate and postgraduate students, research scholars, and young faculties to present their research findings. NSEST – 2025 also provides a great opportunity for all stakeholders in electrochemical science and technology to collaborate and contribute together for the application of R&D findings in the industry.

Papers are particularly welcome, but are not restricted to the following fields:

- Electrochemical H₂ Production, Storage & Applications.
- Electrochemical Energy Systems: Batteries, Supercapacitors, Fuel Cells & Energy Storage
- Renewable Energy & Alternate Energy
- Analytical Electrochemistry: Sensors, Environment & Pollution Control
- Corrosion & Materials Protection
- Surface Engineering & Metal Finishing
- Metallurgy & Materials Science: Electrosynthesis, Electrometallurgy & Novel Electrode Materials.
- Nanotechnology & Electrochemistry
- Industrial Applications of Electrochemistry

About the SRMIST

SRM Institute of Science and Technology is one of the top ranking Universities and most premier engineering destinations in India, which was established in 1985 by the Founder Chancellor, Dr. T. R. Paarivendhar. Now it is functioning in campuses located at Kattankulathur, Ramapuram, Vadapalani, Modi Nagar (Ghaziabad), and Tiruchirappalli with over 52000 students and 3200 faculty members, offering wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine & Health Sciences, Agriculture, Law and Science & Humanities. It has world class infrastructure, including smart classrooms, hi-tech labs, advanced instruments and equipments, research laboratories, and modern library. SRMIST has been accorded category-1 status by MHRD-UGC of Government of India and also accredited by NAAC with 'A++' grade in the year 2024.

About the Department

Department of Chemistry, College of Engineering & Technology, SRMIST has been engaged in opening up the fascinating world of chemistry to students since 1985. The department is supported by DST FIST, Govt of India and holds **QS World University Ranking 351-400** by subject and **10th position (joint)** among Indian Universities. Among 70 faculties, more than 30 faculty members are working in the theme of electrochemistry.

ABOUT ECS IITM STUDENT CHAPTER

The ECS IIT Madras Student Chapter was founded in October 2022 with a focus on skilling college students on required electrochemistry knowledge to take up research in electrochemistry-related areas such as batteries, fuel cells, sensors, electrodeposition, corrosion, electrosynthesis etc. The chapter regularly organizes workshops, lectures, and industrial visits, connecting students with academia and industry experts. Faculty advisors include Professors Kothandaraman Ramanujam, Raghuram Chetty, Ramanathan S, and Raman Vedarajan. Notable events include workshops on batteries, biosensors, and electrochemical energy storage. The chapter was awarded the "Chapter of Excellence 2023" by ECS. <https://www.ecsiitm.com>

ABOUT THE ELECTROCHEMICAL SOCIETY OF INDIA (ECSI)

The Electrochemical Society of India has been in existence at the IISc Campus since 1952. It is a professional society to provide a platform for discussions in the area of electrochemistry, corrosion, batteries, coatings, electroplating, electroforming, other electrochemical science and technology areas. A significant activity of ECSI is the publication of the Journal of the Electrochemical Society of India (JECSI), which is presently completing 73 years of continuous publication. The Society has a collection of over 3000 books in various fields of electrochemical science and technology. Members may visit the library and make use of the books.

Annual Technical Meetings organized by the society during the month of July every year have been very popular among the electrochemical community. A special feature of these meetings is the encouragement given to students and teachers.

Membership is open to individuals and institutions in different categories: individual, industrial, corporate, life members, donor, patron and student. Those desirous of becoming members may write to the Hon. General Secretary for further details.

The society awards the following in recognition of merit in the area of Electrochemical Science and Technology:

- S.K. Seshadri Memorial MASCOT National Award in Corrosion.
- N. M. Sampat Award in Metal Finishing.
- Life Time Achievement Award.
- Metrohm National Award for Electrochemical Science.
- Amararaja National Award for Advanced Electrochemical Technology.
- Dr. K. Elayaperumal National Award for Excellence in Industrial Electrochemical Science and Technology.

ECSI organizes the following special lectures every year to honour persons connected with the society.

- Prof. T. L. Rama Char Memorial Lecture
- Prof. B. S. Seshadri Memorial Lecture
- Dr. S. Krishnamurthy Memorial Lecture
- Prof. S. M. Mayanna Endowment Lecture
- Dr. S. Rajagopalan Endowment Lecture
- Prof. E. S. Dwarakadasa Endowment Lecture

ADVERTISEMENT IN THE SOUVENIR:

A symposium containing abstracts of all papers presented at the conference will be published and will be available at the registration desk. Advertisement will be accepted in areas relevant to the theme of the conference at the following tariff:

Sl. No	Particulars	Amount
1.	Full Page Colour	30,000 + 18% GST
2.	Back Cover Page Colour	50,000 + 18% GST
3.	Inside Cover Page (2) Colour	35,000 + 18% GST
4.	Inside Full Page in B & W	10,000 + 18% GST

IMPORTANT DATES AND DEADLINES

Last date for sending in abstracts : June 30th, 2025

Notification of acceptance : July 15th, 2025

Last date for sending in full paper : August 5th, 2025

Selected papers presented in the event will be published in The Journal of Electrochemical Society of India after peer review.

The Registration fee:

Sl. No	Particulars	Amount in INR (Rs.)
1.	Research Scholars/Post Docs/Under-graduates/ Post-graduates	2,000 + 18% GST
2.	Faculty from Educational Institution	4,000 + 18% GST
3.	Members of ECSI	5,000 + 18% GST
4.	Company Registration: up to 4 delegates	20,000 + 18% GST
5.	Individuals	6,000 + 18% GST
6.	Delegates from Abroad	US \$ 300 + 18% GST
7.	Gold sponsor	200,000 + 18% GST
8.	Silver sponsor	100,000 + 18% GST
