

## Department of Anesthesiology

### Teaching schedule for the month of Aril 2017

| <b>Date</b> | <b>Day</b>    | <b>8-9AM</b>                                    | <b>9AM-2 PM</b> | <b>2-2.30 PM</b> | <b>2.30-4 PM</b>  | <b>Post graduate students</b> |
|-------------|---------------|---|-----------------|------------------|---|-------------------------------|
| 1.4.17      | Saturday      | cath lab -anesthetic management                 | OT              | lunch            | intersting case-angioplasty   | Dr.Aishwarya &Dr.Ashok        |
| 2.4.17      | <b>Sunday</b> |   |                 |                  |   |                               |
| 3.4.17      | Monday        | devices for cardiac support I                   | OT              | lunch            | devices for cardiac support II-didactic lecture   | Dr.sandeep &Dr. K.karthik     |
| 4.4.17      | Tuesday       | intraoperative myocardial protection            | OT              | lunch            | pg symposium -myocardial protection   | Dr.cherush & Dr.balachandran  |
| 5.4.17      | Wednesd ay    | pain management of cardiothoracic surgery       | OT              | lunch            | case discussion-angioplasty case for Emergency laparotomy   | Dr.Priya & Dr.shivarajan      |
| 6.4.17      | Thursday      | post operative care of cardiac surgical patient | OT              | lunch            | case discussion-angioplasty casefor Emergency laparotomy  | Dr.Priya & Dr.Balaji          |
| 7.4.17      | Friday        | protection of brain during cardaic surgery      |                 | lunch            | Journal- Isolated cor triatriatum sinistrum and pregnancy: case report and review of the literature<br>Katarina Bojanić MD, Danijel Bursać MD<br>Canadian Journal of Anesthesia June 2013, Volume 60, Issue | Dr.Riyaj &Dr.Anitha           |
| 8.4.17      | Saturday      | induction -cardiac surgery                      | OT              |                  | interesting case-mvr  | Dr.Riyaj&Dr.venkatraman       |
| 9.4.17      | <b>sunday</b> |   |                 |                  |   |                               |
| 10.4.17     | Monday        | anaesthetic management -in preCPB period I      | OT              | lunch            | didactic lectureanaesthetic management - in preCPB period I   | Dr.Manoj & Dr.Saravanan       |
| 11.4.17     | Tuesday       | coagulation during and after CPB                |                 | lunch            | pg symposium -coagulation during and after CPB  | Dr.Arshiya&Dr.karthik M       |
| 12.4.17     | Wednesd       | Rhythm management devices                       | OT              | lunch            | case discussion-pacemaker case  | Dr. Nandini &Dr.sarath        |

|         |               |   |    |       |   |  |
|---------|---------------|---|----|-------|---|--|
|         | ay            |   |    |       |   |  |
| 13.4.17 | Thursday      | Cardioplegia  | OT | lunch | case discussion-pacemaker case  | Dr. Nandini &Dr.sarath                           |
| 14.4.17 | Friday        | Tamil new year & Good friday  |    |       |   |  |
| 15.4.17 | Saturday      | blood conservation techniques   | OT | lunch | interesting case-rhythm disturbance   | Dr.sujina&Dr.karthik K.T                         |
| 16.4.17 | <b>sunday</b> |   |    | lunch |   |  |
| 17.4.17 | Monday        | fast tracking in cardiac surgery I  | OT | lunch | didactic lecture-fast tracking in cardiac surgery I   | Dr.Mushkath &Dr.Sundaram                         |
| 18.4.17 | Tuesday       | anaesthetic management of thoracic aortic aneurysm  | OT | lunch | pg symposium-anaesthetic management of thoracic aortic aneurysm   | Dr.Natarajan &Dr.sunder                          |
| 19.4.17 | Wednesday     | TEE I   | OT | lunch | CCF for emergency cardiac surgery -case   | Dr.Ashwarya,Dr.Karthik K .Dr.Vairaven            |
| 20.4.17 | Thursday      | TEE II  |    |       | CCF for emergency cardiac surgery -case   | Dr.Ashwarya,Dr.Karthik K .Dr.Vairaven            |
| 21.4.17 | Friday        | The risks associated with aprotinin use: a retrospective study of cardiac cases in Nova Scotia.Robert E. G. RiddellEmail authorKaren J. ButhJohn A. SullivanCanadian Journal of Anesthesia January 2013, Volume 60, Issue 1, pp 16–23 | OT | lunch | The risks associated with aprotinin use: a retrospective study of cardiac cases in Nova Scotia.Robert E. G. RiddellEmail authorKaren J. ButhJohn A. SullivanCanadian Journal of Anesthesia January 2013, Volume 60, Issue 1, pp 16–23 | Dr.Priya&Dr. Mirunalini                          |
| 22.4.17 | Saturday      | interesting case-tof for corrective surgery I   | OT | lunch | interesting case-tof for corrective surgery I   | Dr.Gokulakrishnan &Dr.Prasanna                   |
| 23.4.17 | <b>Sunday</b> |   |    |       |   |  |
| 24.4.17 | Monday        | Protamine   | OT | lunch | Protamine-reversal didactic lecture   | Dr.Sarath  |
| 25.4.17 | Tuesday       | Weaning from CPB  | OT | lunch | Weaning from CPB-PG symposium   | Dr.Gayathri,Dr.Ashok,Dr.Mirunalini&Dr.Pushparani |
| 26.4.17 | Wednesday     | ACT   | OT |       | MS for emergency laparotomy -case   | Dr.Manoj & Dr.Kalyanaraman                       |
| 27.4.17 | Thursday      | HEPARIN   | OT | lunch | MR for emergency laparotomy -case   | Dr.Manoj & Dr.Kalyanaraman                       |

|         |               |   |    |       |   |                            |
|---------|---------------|---|----|-------|---|----------------------------|
| 28.4.17 | Friday        | Brief report: Focused transthoracic echocardiography training in a cohort of Canadian anesthesiology residents: a pilot study<br>Canadian Journal of Anesthesia/Journal canadien d'anesthésie<br>January 2013, Volume 60, Issue 1, pp 32–37 |    | lunch | Brief report: Focused transthoracic echocardiography training in a cohort of Canadian anesthesiology residents: a pilot study<br>Canadian Journal of Anesthesia/Journal canadien d'anesthésie<br>January 2013, Volume 60, Issue 1, pp 32–37 | Dr.Sandeep&Dr.Ka;yanaraman |
| 29.4.17 | Saturday      | interesting case of the week  | OT | lunch | interesting case of the week  | Dr.sujina&Dr.Pushparani    |
| 30.4.17 | <b>Sunday</b> |   |    |       |   |                            |

1st year student incharge-Dr.Nandini  
2nd year student incharge-Dr.Riyaj

Prof &Head of the department
