

## CIMA

The department has organized a one day seminar on the importance of studying professional courses. The Chartered Institute of Management Accountants (CIMA) is a UK based professional body offering training and qualification in management accountancy and related subjects. Its particular emphasis is on developing the management accounting profession. CIMA is the largest management accounting body in the world with more than 227,000 members and students in 179 countries. This seminar helped our students to enroll themselves in this professional course and enrich themselves.
