R. Pandiyan

SRM Institute of Science and Technology

SRM IST is one of the premier educational institutions in the nation, offers a wide range of programs to students applying for undergraduate, post graduate and doctoral degrees. Recently being awarded as the best Multi-stream university boasts of great infrastructure, facilities and a rich cosmopolitan environment in the campus with diversity of students ranging from all over India to Europe, China, Africa, Japan and other countries. It offers a range of programs in the field of Engineering and Technology, Management, Science and Humanities and Medical and Health Sciences.

Interdisciplinary Institute of Indian System of Medicine (IIISM)

Interdisciplinary Institute of Indian System of Medicine (IIISM) is a prestigious institute of SRM University, which was established in 2008 with the support of Department of Science and Technology, New Delhi to promote research in the field of Traditional Indian System of Medicine (ISM), including Ayurveda, Siddha and Unani, with an array of state-of-art research facility including NMR, LC-MS, HPTLC, HPLC, Confocal and

Inverted Fluorescence microscope, Flow cytometer and Metabolic ward with sophisticated instrument to carry out clinical trials on Diabetes, Obesity, Metabolic syndrome, neurological and sleep related studies.

About the Workshop

This Workshop on HPLC specially tailor made for the pharmacy, life science graduates and researchers for getting enriched with the applications of HPLC in Allopathic and herbals. The participants will get to know the possibilities of HPLC and become familiar with the fundamental theoretical contexts and taught ways to utilize methods for the qualitative and quantitative analysis under standardized conditions and also the graduates and researchers can have hands on expertise training for the operation of HPLC and LC-MS. The participants will be shown the capabilities of HPLC along with the possible applications of it in the fields of Herbal, Pharmaceutical and Nano technology. Technical terms are explained and participants will learn to carry out identity checks using HPLC fingerprints, both on the theoretical and practical levels.

ELIGIBILITY

Faculty/Research Scholars/UG/PG students from Pharmaceutical Sciences/Life Sciences

DATES TO REMEMBER

Last Date of Registration: 02nd April 2018

Date of Confirmation: 03rd April 2018

COMMUNICATION TO BE ADDRESSED TO

Dr. R.Mohan Kumar, M.SC., Ph.D

Room No: 36, 4th Floor,

University Building, SRM IST,
