

Registration Details

- Registration fee for all participants- Rs. 300 /- per day (includes lunch and refreshments).
- TA/DA and accommodation will not be provided
- Registration fee shall be paid through Demand draft / cheque, drawn in favor of “AMIE”, payable at Chennai. Fees once paid will not be refunded under any circumstances
- The form can also be downloaded from the SRM website www.srmuniv.ac.in
- The last date for registration is 15th August, 2018

Address for Communication

The Convener, “AMIE”,
Dept. of Electronics & Instrumentation Engg.,
Faculty of Engineering and Technology,
SRM Institute of Science & Technology,
Kattankulathur- 603 203,
Tamilnadu, India.

Phone: 044-27417830, 2741700 Extn. 2201

Email: vimalajuliet.a@ktr.srmuniv.ac.in

CONVENOR

Dr. A. Vimala Juliet,
Prof.& Head,
Dept. of Electronics & Instrumentation Engg.,

National Workshop On “Micro design Workshop & Lecture on Innovation”

20th - 24th August 2018

Organized by

**Department of Electronics and
Instrumentation Engineering**

**Faculty of Engineering and Technology
SRM Institute of Science and Technology**
SRM Nagar, Kattankulathur- 603 203,
Kancheepuram District.

About the Institute

SRM Institute of Science & Technology is one of the top ranked universities in India with over 20,000 students and 1,500 faculty offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Engineering, Management, Medicine and Health Sciences, Science and Humanities. Over the last two and a half decades, SRM Institute has set standards in experiential education and knowledge creation across various fields. The Institution has reached beyond borders to universities and corporate sectors across India and around the world. There are 3 sprawling campuses in Chennai and one near New Delhi spread across 600 acres with all facilities. During January 2011, SRM IST has conducted 98th Indian Science Congress inaugurated by Prime Minister Dr. Manmohan Singh and 7,000 delegates from India and abroad, including six Nobel Laureates and several eminent scientists from across the world attended the conference. SRM IST is the first private university in India to launch a nano-satellite, named SRMSAT, onto space, on board the PSLV-16 from Sriharikota during October, 2011.

About the Department

Electronics & Instrumentation Engineers carry out the task of measuring, doing research, installing, developing, testing, maintaining and designing various instruments used in the industry. With computer aided processes and automation techniques, these engineers formulate ways to control these systems. To put it crisply,

they aim to 'measure the world accurately and to control it precisely'. The EIE Department equips students with knowledge of instruments and their management.

OBJECTIVES

- To enlighten the participants on the applications of MEMS in various areas.
- To exchange views on multi disciplinary applications of MEMS with eminent speakers.
- This workshop will explore the features available various MEMS software's.

Resource Person

Eminent professors from premier educational institutions, Industry will be invited for delivering the technical Lectures and to give training.

Participants

- Faculty members from Academic / Research institutions
- Practicing Engineers
- Research Scholars

National Workshop on “Microdesign Workshop & Lecture on Innovation”

20th - 24th August 2018

REGISTRATION FORM

Name: _____

Designation: _____

Institution/Organization: _____

Address _____

Registration fee details:

DD.No. _____

Name of the Bank. _____
in favour of 'AMIE' payable at Chennai

Date _____

Amount _____

Mobile No: _____
