Special

ASTROPHILLA

A new club “Astrophilla” has been started for students who wish to be engaged in activities regarding Cosmology and Astrophysics. The first few meetings of the members have been held this month . Wide publicity has been given amongst the student body to encourage them in pursuing their interest.

2nd February 2018

LOHRI

Bonfire Music and Dance was the order of the day as the Lohri celebrations went underway for the students residing in the campus. Wearing the traditional attire, many of them sang and danced around the bonfire, bringing up visions of similar festivities in Punjab. It was good to see so many young, enthusiastic faces, as the event ended with the expectation of more such festival celebrations in the future.

3rd February 2018

BUTTERFLIES'18

Butterflies'18 is a social event in which young school students from nearby schools are invited to take part. The Social Club of SRMIST leaves no stone unturned in its efforts to make it a grand success. With the participation of 700 students from 12 Schools in 3 domains – Sports, Literary and Cultural, the experience of college life was well established in the hearts of the students.

All the kids were seen talking about their interests and ambitions of going to college in the future, making this event a grand success.

7th February 2018

MOVIE NIGHT

Movie night returns, and this time, it's Mersal on the screen! The 3 hour long movie is a well-known fan favourite, with a huge following from adults and teenagers alike. The movie was loved by all, and even though the original movie was made in tamil, students not used to tamil also showed up in huge numbers to watch the movie, irrespective of the language barrier. Viewers were seen leaving after the movie anxious for the next movie night to enjoy.

8th February 2018

ROADSHOW

Milan '18 is barely a month away, and the wait for the fest cannot be contained any longer. To keep the excitement going, a roadshow was organised for the students at the Tech Park Stairs - complete with bike rally, musical and dance performances, plays and a fashion show. Having caught a glimpse of what is in store during Milan, the students present vowed to stay and truly live the change at the actual fest in the month of March.

26th January 2018

MILAN AUDITIONS

Everyone has talent. But very few have the courage to follow it to the places it leads. Milan provides an opportunity for students to explore these talents and showcase them. The Milan auditions were conducted under four different domains - Music, Dance, Fashion and Drama, as hundreds of students lined up early in the morning, all set to win over the judges.
