Dear Sir/Madam,

Greetings from SRMIST!

You may already be aware of the issue relating to Novel Coronavirus (COVID -19) affecting the entire nation and other countries as well. In this context, the Govt. of India through the Ministry of Health and Family Welfare, Govt. of Tamil Nadu, UGC and AICTE have given us certain directions guiding us to follow safety measures. As of now there are no reported cases in our University but we are keeping an eye on the matter and have accordingly taken the necessary preventive steps to stay safe. The same has been posted in our website for the information of all concerned including staff, students and their parents. We assure you of our best support in handling the situation appropriately. We also seek your preparedness and cooperation in dealing with any situation arising out of COVID-19.

Stay Safe!
