

ABOUT THE CONFERENCE

The built environment is increasingly becoming a product of technology and the Biophysics involved in the building has an important role to play in Human wellbeing. With the advent of sustainable technologies, our knowledge horizon concerning the physical behavior of buildings and the impact of buildings on the energy efficiency, comfort, health, safety and durability has expanded. In the wake of the above context, we can see Science and Technology have asserted its position in the contemporary building processes; this means the building can't be purely considered as an object of Art anymore. The technological quotient involved in a building equally dictates and shapes the final built environment. This scenario urges us to rethink the way we understand the built environment in the changing times. This Conference—ICON-BEST (International Conference on Built Environment, Science and Technology)—seeks to indulge with the state of the art developments in the built environment for a better understanding of the fundamentals and to discuss the way forward for a better tomorrow.

CONFERENCE OBJECTIVES

- To bring all researchers, research scholars, eminent academicians and professionals from reputed Universities/Institutions across the Globe to exchange, and share their experiences and research outcomes.
- To contribute technical knowledge in the area of Sustainable practices and technologies like Climatic Facades /kinetic facades, energy efficient built environment, Eco-friendly Building Materials and energy-resource management at large.
- To carry out in - depth cutting edge research in the frontier areas of Architecture and Building science.
- To present and discuss recent innovations, trends, concerns and practical challenges in the field of building science.

SRM

2021 FEB 2021

ABOUT SRMIST

Sri Ramasamy Memorial Engineering College (SRMEC) was started in the academic year 1985-86 at Kattankulathur, Kancheepuram District, Tamil Nadu, India. SRMEC accorded the deemed to be university status in the year 2002, and became SRM Institute of Science and Technology (formerly known as SRM University). SRM IST is one of the top-ranking multi-stream universities in India with over 52,000 full time students and more than 3200 faculty across all the campuses in India. It is accredited by NAAC with the Highest 'A++' Grade and is placed in Category-I with 12 B Status by MHRD-UGC. SRMIST is globally rated as 'Four Star' University by renowned ranking agency QS and given 'Diamond' Rating by QS-IGAUGE in Indian context. Its strong international and corporate advisory board keeps the curriculum updated as per the industry standards and excellent placements. The institution has soared to great heights through its affiliation with international alliances and collaborative initiatives to achieve global excellence. Its research and innovation are driven by world-class faculty, supported and motivated by visionary management under the guidance of the Founder - Chancellor, Dr. T. R. Paarivendhar.

ABOUT SAID

The SRM School of Architecture was established in 1992 with a mission to create Architects deep rooted in their Indian methods and respond to the challenges of the global community, creating a sustainable built environment. The department has eminent faculty members from diverse backgrounds who are also consultants to various corporate and governmental organizations for several prestigious design projects. The School of Architecture has partnered with many foreign universities through MoUs and initiatives, like the semester abroad program. This has provided its students with international exposure and has opened them up to multiple avenues of growth. Our students have won many national and International level design competitions. The School of Architecture has active research centres and research groups which are working on state of the art research in the domain of Built environment.

AWARDS CATEGORY

SRM-ICON BEST 2021
Award of Excellence
(Cities, Neighbourhood and
Built Environment)

SRM-ICON BEST 2021
Award of Excellence
(Building Science and
Technology)

SRM-ICON BEST 2021
Award of Excellence
(Building Materials and
Technology)

SRM-ICON BEST 2021
Award of Excellence
(Architecture and Allied
Domains)

SRM-ICON BEST 2021
Best Paper Award

SRM-ICON BEST 2021
**Best Participating
Institution**

TYPE OF DELEGATE		
	INDIAN STUDENTS	INR 500
	RESEARCH SCHOLARS	INR 2500
	ALUMNI	INR 500
	ACADEMICIANS/PROFESSIONALS	INR 500
	INTERNATIONAL STUDENTS	USD 50
	INTERNATIONAL DELEGATES	USD 100
