Dear Prof / Dr.

Greetings from Conference Chair!

We are pleased to announce that the 6th International Conference on Nanoscience and Nanotechnology (ICONN-2021) is organized by SRM Institute of Science and Technology (SRM IST- formerly known as SRM University) in association with Shizuoka University-Japan and NCTU-Taiwan, GNS-New Zealand, University of Rome Tor Vergata, Italy, RMIT University, Australia, ACCMS, Indian Carbon Society, India and Tata Institute of Fundamental Research, India. The Conference will be held on virtual mode from 01st to 03rd February 2021.

The conference aims at providing a platform for researchers and scientists to assess recent trends and developments in Nanoscience and Nanotechnology for promising applications. ICONN-2019 attracted over 2000 participants and more than 200 papers were published in reputed international journals (Applied Surface Science, Materials Science in Semiconductor Processing and Materials Research Express).

The Conference host SRM IST is one of the esteemed institutions of higher education and research in India, established in 1985, which has been providing various academic and research programs in different disciplines of Science and Humanities, Engineering and Technology, Medical and Health Sciences and Agricultural sciences.

We reckon it an honor to invite you for this conference, as you are one of the distinguished researchers in the field of Nanoscience and Nanotechnology. It is indeed our privilege to note that you have consented to be part of the conference ICONN-2021 in response to our program committee member for delivering a talk.

I request you to kindly acknowledge the receipt of the invitation.

Thanking you,

With regards,

Dr. John Thiruvadigal
