All Students/Parents

Dear Students /Parents.

In continuation of earlier communication dated 02-11-2020, it is informed that due to COVID - 19, the Government of India/State Government/UGC have issued various guidelines prescribing safety measures for reopening of Educational Institutions.

Accordingly, the University/Colleges of SRMIST will remain closed for all students [except final year students] of all Faculties excluding Medical and Health Sciences] till **1st January, 2021** for physical classes. However, the online classes will continue.

As per UGC guidelines, only final year students of College of Engineering & Technology may be permitted to start lab work in the campus from December 15, 2020 subject to improvement in the situation. However, a final decision in this respect would be communicated to them by 2nd December, 2020

Further, the PG students/Research Scholars will be allowed for project related works as a special case. In such cases, proper recommendations from the concerned authorities is required for them to carry out their work in the campus.

Regarding general physical reopening for all students, further communication will be sent by 3rd week of December, 2020.
