

# Circular

**November 2, 2020**

**Dear Students/Parents,**

In continuation of the e-mail dated 31-10-2020, it is informed that we received the advice of the Govt. of Tamil Nadu in respect of reopening of higher education institutions from November 16, 2020 onwards. The SRMIST is planning to reopen the academic activities in offline/physical mode in a staggered fashion but not earlier than November 23, 2020 to ensure that the Covid related protocols as well as safety of all concerned is taken care.

Keeping in mind the complex nature of our arrangements and preparation for the same you can expect a formal communication by November 10, 2020. Further directions in this respect will be communicated to you directly by the Dean of your concerned faculty for academic matters and Director Campus Life if you are a hosteller.
