## ABOUT THE INSTITUTION

SRM Institute of Science and Technology (formerly known as SRM University) is one of the top ranking Universities and most premier engineering destinations in India, which was established in 1985 as SRM Engineering College by visionary - Dr. T.R.Paarivendhar, Chancellor, SRM Institute of Science and Technology and now it is functioning in five campuses located at Kattankulathur, Vadapalani and Ramapuram in Tamilnadu, fourth campus at Modi Nagar, Ghaziabad and fifth campus at Amaravati, Andrapradesh, offering a wide range of undergraduate, post-graduate and doctoral programs in Engineering, Management, Medicine & Health Sciences and Science & Humanities.

For over 35 years, SRMIST has been engaged in nurturing minds through a rich heritage of academic excellence. Essentially a hub of bustling student activities, the green and beautiful campus has been a second-home to thousands of students in their journey to challenge the times. The Institution has moved up through international alliances and collaborative initiatives to achieve global excellence. SRMIST International Advisory Board (IAB) is actively involved in building a stronger international dimension in research and teaching methodology, which creates avenues for research and successful careers.

Students are sponsored to foreign Universities like MIT, Carnegie Mellon, UC Davis, Warwick and Western Australia. Now the Institute enjoys an unsurpassed reputation in academia and corporate circles being the preferred manpower source for vision to be recognized as a world-class learning institution.

SRMIST has been categorized as grade A University by Ministry of Human Resources Development (MHRD), Government of India and it is accredited by NAAC with 'A++' grade.

## ABOUT THE DEPARTMENT

The Department of Mathematics established in the year 1985, consists of 81 faculty members which includes 67 Doctorates, 91 full time and 25 part time research scholars. It offers graduate and

post graduate courses in Mathematics and handles all the Mathematics courses in Engineering, Computer Applications, and Medical Science. To meet the requirement of these courses the department has set up a modern computer lab with all latest software's. The faculty members of the department are actively participating in research and development activities. The specific areas of research in which the department is actively engaged are Fuzzy Set Theory, Non-Archimedean Analysis, Fluid Dynamics, Graph Theory and Queueing Models. The department strives to provide excellent teaching, encourage interdisciplinary research and service to students and teaching community in the application of Mathematics to other disciplines.

## SRI RAMANUJAN MATHEMATICS CLUB

Due to the keen interest evinced by the Engineering students, Sri Ramanujan Mathematics Club was born in 1991 under the aegis of the Department of Mathematics. It is not an exaggeration to note that SRM Engineering College was the first private Engineering College to start such a club to excel innovative skills in Mathematics.

Since its inception, the club has been active in promoting Mathematics, as Queen of Sciences with infinite capacity, to fascinate all who venture into its bounds. To achieve the objectives, the club Festival e- ENGINEERING MATHEMATICS FESTIVAL (e-EMF) in addition to various guest lectures by eminent Mathematicians, Scientists and Engineers and an in-house Mathematics competition e-INTRA COLLEGIATE MATHEMATICS FESTIVAL (e-IMF).

This Year the Club is organizing its Engineering Mathematics Festival on 12<sup>th</sup> February 2021. All the students of Engineering colleges / Institutes of Science and Technology as well as students of the Science and Humanities are invited to participate in this event. There is no formal registration fee  
The events being conducted as a part of this festival are:

1. Mathematics Quiz
2. Search Cross
3. Treasure Hunt
