

## EEEEA REVIEW

The department of Electrical and Electronics Engineering, SRMIST, Kattankulathur publishes a magazine “EEEEA REVIEW” periodically. This magazine is compiled and edited by the student members with due guidance from Faculty In-charges. The main objective of this periodic magazine is to mold the skill sets of the students in curricular and co-curricular activities. Also, it provides an opportunity for the students to explore and experience the skills of writing, editing and publishing.
