

Report regarding the Industry visit to Holmarc Opto-Mechatronics Pvt. Ltd., Cochin under the Faculty Industry Immersion Program

by

Dr. Junaid Masud Laskar, Research Assistant Professor,
Department of Physics & Nanotechnology, SRM Institute of Science & Technology
Kattankulathur- 603203

I have visited Holmarc Opto-Mechatronics Pvt. Ltd., Cochin for one week (June 18-23, 2018) under the Faculty Industry Immersion Program. Holmarc is one of the leading industry in the country involved in manufacturing, research and development in the areas of optics, photonics and opto-mechatronics including spectroscopy, microscopy etc.
