

The Value Added Education Courses aim to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skills of students. The main objectives of the program are: To provide students an understanding of the expectations of industry. To improve employability skills of students. To bridge the skill gaps and make students industry ready. To provide an opportunity to students to develop inter-disciplinary skills.

Here are a few value added courses conducted at SRM IHM.

BARTENDING WORKSHOP REPORT

Mr Nalluswamy and team on 29th August, 2019 conducted a workshop on bartending at SRM IHM auditorium .The full day session was very interesting and creative.

The knowledge that he shared on Mocktail and Cocktail making was incredible. He started with Classic cocktails & innovative cocktails demonstration such as Bloody Mary, Cosmopolitan, Mojito, Martini, Long island ice tea, Sex on the beach, Margarita, Rob roy, Shooters and so on. The session was very interactive where he even pulled out students from the crowd and showed a few tricks out of sleeves .

FLARING DEMONSTRATION IN AFTERNOON SESSION

Interactive way for teaching flaring. The students got involved in flaring and learned few tricks in juggling the bottles which they enjoyed and was enthusiastic about. Students who picked up the steps received a flaring bottles a prize .
