International Conference on
Power Electronics and Renewable Energy Systems 2021
(ICPERES 2021)

21st – 23th April 2021

Organized by

Department of Electrical and Electronics Engineering
SRM Institute of Science and Technology
Kattankulathur, Chengalpattu District, 603203,
Tamilnadu, India

SCOPE OF THE CONFERENCE

This conference is to provide an international forum for industry professionals and researchers to deliberate and state their research findings, discuss the latest advancements and explore the future directions in the emerging areas of Power Electronics and Renewable Energy Systems. The conference also brings together both novice and experienced scientists and developers, to meet new colleagues, collect new ideas and establish new cooperation between research groups and provide a platform for researchers from academic and industry to present their original works and exchange ideas, information, techniques and applications in the field of Renewable Energy Systems and its Applications.

TOPICS COVERED

Original Contributions are solicited on topics covered under broad areas such as (but not limited to)

- Soft Computing Applications
- Renewable Energy Systems
- Power System Stability
- Power Quality Issues and Solutions
- Communication Engineering, Information Theory and Networks
- Electric Vehicle and Energy Storage Systems
- Signal, Image and Speech Processing
- Wireless Power Transfer
- Circuits Systems and Control
- Power Electronics Converters
- Electro-Optical Engineering

- Instrumentation Engineering
- Electrical Energy Systems
- Internet-of-Things and Cyber Security

PAPER SUBMISSION AND PUBLICATION

Authors are invited to submit papers describing original, previously unpublished work, not currently under review by another conference, workshop, or a journal. Only **editable word files** will be accepted for the review process and all submissions must be done electronically through email icperes2021submission@gmail.com
