Webinar Title: Income Tax An Overview – Indian Context

**Resource Person: Dr.M.Jeevarathinam & Mr.A.Jalaludeen, Assistant Professor,
Department of Commerce, SRM Institute of Science and Technology**

The webinar was organised by Dr.S.Chitra, Head and Associate Professor, Department of Commerce on 22nd July 2020. The webinar was organised in two sessions. The 1st session was handled by Dr. M. Jeevarathinam and the 2nd session was handled by Mr.A.Jalaludeen. Each session had 50 plus participants and in the first session mainly the history of taxation and evolution was discussed. The change in tax rates and the rates in different sectors were all covered. In the second session current taxation rates and current slabs were all covered. The students got a clear idea on current and previous taxation and the forms to be filled while calculating and paying tax. The sessions were very lively and interactive with lots of knowledge sharing.
