College of Science and Humanities:

College of Science and Humanities, one of the Colleges of SRM Institute of Science and Technology was started in 2003 with a single department. The growth of the CSH can also be measured in the steady expansion of the number of departments. From just the Department of Bio-Technology in 2003 offering courses at the Bachelors and Masters Level, today the CSH has thirteen courses at the Bachelors level and 9 Courses at Master level. The CSH boosted a student strength of nearly 4200 students and a faculty strength figure of 267.

About the Department:

The Department of Corporate Secretaryship and Accounting Finance was established in December 2012 with four faculty members 110 students. The Department is offering graduate programmes in B.Com., (Corporate Secretaryship) and B.Com., (Accounting Finance). Presently the department has 250 students with 8 faculty members and 9 research scholars. The department is organizing symposia, industrial visits and business events under the name of “Firmen Finanza” every year.

Scope of the Conference:

The International Conference on Business Finance and Management Sciences is to bring together innovative academics and industrial experts in the field of Global Business, Economics, Finance Management and Social Sciences to a common forum. The primary goal of the conference is to promote research and developmental activities in Business, Economics, Finance and Social Sciences. Another goal is to promote scientific

information interchange between researchers, developers, students, and practitioners working across the nation. The conferences will be held in regular intervals to make it an ideal platform for people to share views and experiences. Department of Corporate Secretaryship and Accounting Finance is organizing the International Conference in order to articulate research talents and to motivate research among students, research scholars, academicians and industrialists.
