Step 4

Main Examination

The Main Examination will be conducted on 03.07.2022 (1:00PM to 3.30PM)

The Instructions for the Main Examination will be available in the link on 03-07-2022

<https://srmjee2022.srmist.edu.in/Instructions/pg.aspx>

Candidates will be watched remotely

Before the start of the Examination, the web cam will be activated automatically. If your camera is not working, you will not be able to start the examination.

The candidate will be asked to take a photo as appearing on the screen and also asked to take a photo of any clear photo ID card.

Though the exam is online and the candidate is taking the exam from their home, there will be an invigilator monitoring every action remotely along with the help of AI engine.

The candidates will be invigilated / proctored by a remote proctor who will be watching all through the examination.

During the course of exam, in case of any suspicion of malpractice by the candidate, the remote proctor has the facility to send message/s to warn the candidate/s. In extreme cases of repeated offences being committed by the candidate, the proctor has the right to pause/terminate the Examination with further investigations.

Guidelines for Main Examination

- Candidates who have taken the remote mock test using SEB will only be scheduled for main exam.
- While taking mock test, their login details can be captured which can be used for the main Examination.
- Candidate have to login to the Examination using details in the admit card (Password)
- Main examination will be of 150 minutes. The candidates are expected to login at least 60 minutes before the Examination to take photograph of self and ID proof and to read instructions
- Candidates will not be allowed to end the Examination whether the candidate completes the Examination or quits the Examination for the first 120 minutes from the scheduled start of the Examination.
- Only one question appears on the screen and either the candidate answers the question or skips the same if he/she does not know the answer or does not want to answer. Once moved to the next question, the candidate cannot come back to the answered/skipped questions.
- On completion of exam, candidates are required to follow the instructions provided to close the exam.

- 'I want to submit the Examination' button appears only after 120 minutes is Elapsed.
- The quit password needs to be entered to EXIT THE EXAMINATION (WHICH IS MANDATORY), which will be available in the Instruction Manual for taking the Examination.
- Examination also closes automatically once the scheduled exam time of 150 minutes elapses.

Note:

SRMIST doesn't stand responsible for the issues relating and not limited to poor internet connectivity, power cut, faulty personal computer of the students. Please be informed that no re-examination will be conducted in such scenarios and students shall take subsequent phases of examinations available to them.

The students are requested to use Desktop/ Laptop for optimum Examination experience of SRMJEEH PG Phase II.

****Wishing you all the best for SRMJEEH PG – Phase II ****
