PLEDGE

India is my Country
All Indians are my brothers and sisters
I love my country and
I am proud of its rich and varied heritage
I shall always strive to be worthy of it
I shall give my parents, teachers and all elders respect and
Treat everyone with courtesy
To my country and my people I pledge my devotion
In their well-being and prosperity alone lies my happiness.

A PURVIEW OF THE COLLEGE

Established in 1993, SRM Arts and Science College offers courses that serve as a platform for the qualifying graduates to work in a wide spectrum of the industry. Students are encouraged to go beyond the purview of the university syllabi and this is complemented by modern infrastructure that helps them widen their intellectual horizon. As a result, graduates from this college are a distinct notch higher than their counterparts from other colleges.

With the present trend in mind, the college provides exposure not only in the academic field but also extra-curricular and cocurricular activities. Soft Skill training is given with various developments of the learners in mind. This is exclusively to prepare them to face the world and its challenges as a strong individual.

An active placement cell works throughout the year, only to prove their efforts in the form of many students procuring a job in noted industries, soon after their basic college degree.

Exclusive infrastructures with highly qualified and dedicated staff are some of the reasons for the various University Ranks / Gold Medals that the students secure.

The different Clubs / Associations of the college help the students to identify their latent talent, expose them and thereby become better individuals.

At SRM we try to teach the students what George Bernard Shaw said, “Better keep yourself clean and bright; you are the window through which you must see the world”.
