ACADEMIC CURRICULA

UNDERGRADUATE DEGREE PROGRAMME

Bachelor of Science in

Defence and Strategic Studies

Three Years /

Bachelor of Science (Honours) in

Defence and Strategic Studies

Four Years

Learning Outcomes Based Curriculum Framework (LOCF)

Choice Based Flexible Credit System

Academic Year 2023-2024

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

(Deemed to be University u/s 3 of UGC Act, 1956)

Kattankulathur, Chengalpattu District 603203, Tamil Nadu, India

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

Kattankulathur, Chengalpattu District 603203, Tamil Nadu, India

Department of Defense and Strategic Studies

1.	De	partment Vision Statement				
Stmt -	tmt - 1 Creating the most conducive environment for imparting quality education in Defense and strategic Studies					
Stmt -	2	Contributing effectively to produce globally competent quality professionals in the field of Defense				
Stmt -	- 3 Contributing towards preparing young minds to serve community and to the nation					

2. D	epartment Mission Statement
Stmt - 1	Impart student's essential knowledge and skills required for a successful career in Defense and Strategic Studies
Stmt - 2	Instill confidence in the students to take up new challenges by grooming them appropriately
Stmt - 3	Inculcate in the students a sense of commitment to professional ethics, moral values with emphasis on team work and leadershipqualities
Stmt - 4	Instill the students with a clear awareness of environmental issues and their relevance to their profession
Stmt - 5	Impress upon the students the impact of their work on the nation's economic and social progress

3.	Pro	ogram Education Objectives (PEO)
PEO ·	- 1	Offer the students those skillsets and domain knowledge based on needs of security
PEO	- 2	Provide the students with the capabilities in the areas of analysis, design, development and testing
PEO ·	- 3	Kindle the minds of students to take up research and development in national security issues
PEO ·	- 4	Train and impart leadership qualities amongst students and raise ability to work as a team
PEO ·	- 5	Prepare the students into balanced individuals who are keen to leave a mark by excelling in their profession

4.		ogram Specific Outcomes (PSO)
PS0	- 1	Graduates will acquire basic competency in strategic affairs covering a wide spectrum of border security to global security issues including Internal security dimensions.
PS0	- 2	Graduates will develop capability in understanding the implications of use and threat of use of force in International relations.
PS0	- 3	Graduates will be prepared to seek, identify and apply the acquired knowledge in Defense and strategic studies on contemporary issues of strategic relevance.

5. Co	nsistency of PEO's wit	h Mission of the Depar	rtment

	SLO- 2	Equipping th	ne listening skill	of the	repetitive practices of select paragraphs for resources, their start be measured.	om web	Observe and repeat and learn the phone pronunciation of words by practicing con			Class Assignment - write a formal letter																		

	SLO-1	Introducing google podcasts.	The speed, fluency, pronunciation, comprehension of the words in the paragraph	Teaching the usage of Thesaurus to understand and develop various words and improve vocabulary.	Enabling the students to unleash their potentials in creative writing through writing transcripts for advertisements of any product.	Introducing the text of Letters by Mathrubootham published in the Hindu.
S-3 – S-4	SLO- 2	Task to write down the words from the audio they have listened to. This activity should be done in two steps. 1. Jotting down the words simultaneously as they listen to the speaker. 2. Writing the transcript of the audio through repetitive play and pause.	hints and tricks to follow where the pauses are to be followed.	Identifying common errors in concord, preposition, direct speech and indirect speech.	write a review of any book o <mark>r a movie o</mark> r an interview or a debate.	Reading and recitation of the text of the first letter- Enjoy within limits, says Mr. Mathrubootham Understanding characters by analyzing the usage of their style of language
S-5	SLO-1	Imitating the speakers by listening to them and attempting to learn the pronunciation of the words uttered in the audio.	Students group 1- reads – group 2 identifies the flaws in reading.	Identifying common errors in tenses, punctuation, and syntactical errors	Mechanics of writing like capitalization, punctuation, spelling, correct pronoun, preposition, concord usage can be taught.	Reading of the second letter- Nobel? What Nobel, asks Mr. Mathrubootham.
3-3	SLO- 2	Repetitive listening to enhance pronunciation skills	The roles have to be exchanged between the two groups and the activity should be practiced.	Rectifying the common errors and instructing the learners about the right usage in order to avoid common errors.	meachnaics of writing - assessed and evaluated.	Mathrubootham's humour and the language of code switching from Tamil to English and vice – versa.
S-6	SLO-1	Introducing to the audios of TED TALK American Speakers. Listening to the native speakers of English Language through TED TALKS.	Identify the key arguments in a passage -introductory point, lead point, supportive argument statement, concluding point and the common connecting word between all the key words in the passage.	Practicing how to avoid common errors.	Teaching effective writing by learning to avoid common errors in concord, preposition, conjunction, relative pronouns, question tags.	Reading of the third letter -Mr. Mathrubootham is fully supporting all new technologies
	SLO- 2	Introducing to the audios of TED TALK British Speakers. Listening to the native speakers of English Language through TED TALKS.	encouraged to identify the key arguments in other passages on their own.	The learners are introduced to collocations for quick choice of learning how to speak in short time and how to speak effectively.	Practicing effective writing by learning to avoid common errors in concord, preposition, conjunction, relative pronouns, question tags.	Mathrubootham's frustration over the failure of technologies and the language that he positively uses to denote hopelessness over technologies.
S-7 – S-8	SLO-1	American and British styles can be differentiated.	Guiding the act of reading through scanning and skimming by model reading of the passages by the instructor.	Practice collocations	common errors in tenses, direct and indirect speech and syntax structure.	Reading of the fourth letter in the classroom and discussion Pizza maavu: Welcome to Mr. Mathrubootham food recipe website,
	SLO- 2	The recognition of different accents should be practiced by speaking after listening.	scanning and skimming activities	Idioms and phrases	Practicing effective writing by learning to avoid common errors in tenses, direct and indirect speech and syntax structure. Guidelines for Internship:

- 1. Students must undergo industrial training after completing Second semester examination for a period of two weeks to four weeks
- 2. Industries can be Micro, Small, Medium or Large Scale
- 3. Students can be engaged in Administration, HRM, Marketing, Sales, Law Firms and Finance Departments, Defence factories and related fields
- 4. Students should submit a acceptance letter from the industry for his/her Internship
- 5. Students must adhere to the rules and regulation of the place of work.
- 6. Students must submit a Training Report along with training certificate. Issued by the industry
- 7. Report should have the following
- a. Industry Profile
 - b. Company Profile
 - c. Job Profile
 - d. Internship Training Details
 - e. Feedback of the Training
- 8. Reporting Format Minimum of 50 Pages and Maximum of 60 Pages Times New Roman Font Font Size Heading 14 and Content 12 Line Spacing 1.5
- 9. Report should be submitted before the end of Fifth Semester
- 10. Report will be evaluated by the Faculty in charge and Viva will be conducted at the end of the Semester
- 11. Marks Will be awarded as follows Internal Viva 50 Marks and End Semester Viva 50 Marks
- 12. If the Student has chosen this Industrial Training as Elective and Failure to undergo the training or submit the report will treated as failure in that course and the students has to redo in the forthcoming semesters
- 13. Report Submission One Hardcopy and One Soft Copy has to be submitted through mail in PDF Format. Hardcopy will be returned to the student after completion of End Semester Examination

Guidelines for Internship:

- 1. Students must undergo industrial training after completing Second semester examination for a period of two weeks to four weeks
- 2. Industries can be Micro, Small, Medium or Large Scale
- 3. Students can be engaged in Administration, HRM, Marketing, Sales, Law Firms and Finance Departments, Defence Factories and related fields
- 4. Students should submit a acceptance letter from the industry for his/her Internship
- 5. Students must adhere to the rules and regulation of the place of work.
- Students must submit a Training Report along with training certificate. Issued by the industry
- 7. Report should have the following
 - a. Industry Profile
 - b. Company Profile
 - c. Job Profile
 - d. Internship Training Details
 - e. Feedback of the Training
- 8. Reporting Format Minimum of 50 Pages and Maximum of 60 Pages Times New Roman Font Font Size Heading 14 and Content 12 Line Spacing 1.5
- 9. Report should be submitted before the end of Fifth Semester
- 10. Report will be evaluated by the Faculty in charge and Viva will be conducted at the end of the Semester
- 11. Marks Will be awarded as follows Internal Viva 50 Marks and End Semester Viva 50 Marks
- 12. If the Student has chosen this Industrial Training as Elective and Failure to undergo the training or submit the report will treated as failure in that course and the students has to redo in the forthcoming semesters
- 13. Report Submission One Hardcopy and One Soft Copy has to be submitted through mail in PDF Format. Hardcopy will be returned to the student after completion of End Semester Examination

Guidelines for Internship:

- 1. Students must undergo industrial training after completing Second semester examination for a period of two weeks to four weeks
- 2. Industries can be Micro, Small, Medium or Large Scale
- 3. Students can be engaged in Administration, HRM, Marketing, Sales, Law Firms and Finance Departments, Defence Factories and related field
- 4. Students should submit a acceptance letter from the industry for his/her Internship
- 5. Students must adhere to the rules and regulation of the place of work.
- 6. Students must submit a Training Report along with training certificate. Issued by the industry
- 7. Report should have the following
- f. Industry Profile
 - g. Company Profile
 - h. Job Profile
 - i. Internship Training Details
 - Feedback of the Training
- 8. Reporting Format Minimum of 50 Pages and Maximum of 60 Pages Times New Roman Font Font Size Heading 14 and Content 12 Line Spacing 1.5
- 9. Report should be submitted before the end of Fifth Semester
- 10. Report will be evaluated by the Faculty in charge and Viva will be conducted at the end of the Semester
- 11. Marks Will be awarded as follows Internal Viva 50 Marks and End Semester Viva 50 Marks
- 12. If the Student has chosen this Industrial Training as Elective and Failure to undergo the training or submit the report will treated as failure in that course and the students has to redo in the forthcoming semesters
- 13. Report Submission One Hardcopy and One Soft Copy has to be submitted through mail in PDF Format. Hardcopy will be returned to the student after completion of End Semester Examination

Students can choose an Industry/Organization/company of their own interest for internship for a period of minimum TEN weeks (Part-time) to learn about the application of their related field in real time environment. All students have to give a presentation about their observations made by them in internship as per the schedule given. At the end of the internship period, every student shall submit a structured internship report within 15 days from the date of the completion of the internship period.

CLO-5 :	CLO-5 : To get an inside view of an industry and organization/company		3	88	5 75	Н	н	М	Н	L	М	М	М	М	L	М	М	М	L	L								

Students can choose an Industry/Organization/Company of their own interest for apprenticeship for a period of minimum TEN weeks (Part-time) to learn about the application of their related field in real time environment. All students have to give a presentation about their observations made by them in internship as per the schedule given. At the end of the apprenticeship period, every student shall submit a structured apprenticeship report within 15 days from the date of the completion of the apprenticeship period.

Learning Assessment												
	Continuous Learning Asse	ssment (50% weightage)	Final Evaluation (50% weightage)									
internship	Review – 1	Review – 2	Project Report	Viva-Voce								
internetiip	20%	30 %	30 %	20 %
