### Be Proud of Your Campus and Make it Green

This is to bring to your kind notice that our Institute is endeavoring to make our campus Green and hence taking many initiatives. We seek your full cooperation and support for our efforts and request you to follow the undermentioned advisory:

- Park your Vehicles in the allocated parking lots, in the respective buildings.
- E- vehicles and bi-cycles are the preferred mode of transport inside the campus.
- Walk to your destination inside the campus – **walking a mile everyday keeps the doctor miles away!**
- Helmets/ Seat belt mandatory for 2/4-wheeler vehicle riders
- Patients can use University Battery cars for SRM hospital Visit – help them to do so.
- Shuttle buses can be utilized effectively.
- Use Pollution Control certified vehicles only.
- Use the dust-bin especially near the eateries
- Water is precious and in short-supply – don't waste it. Have an eye on open taps and close them immediately.

Also,

- Be proud to wear ID card. ID card is mandatory to enter the campus.
