POLICY ON LANDSCAPING

Preamble

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The overall area of landscaping is 1,15,183 sqm with 5,587 trees of multiple variants.

Policy Statement

The landscaping policy of SRM Institute of Science and Technology is to

- Provide maximum green cover area.
- Cultivate more native plants/trees.
- Increase the area of green cover.
- Perform the horticulture activities with optimal resource utilization.
- Utilize the treated waste water for gardening activities.
- Maintain thermal comfort for the stakeholders in the open areas.
- Minimise the effect of temperature variation.
- Maintain the necessary compliance obligations as per the legislative authorities.

All the students, research scholars, teaching and non-teaching staff, and other external stakeholders share this responsibility of maintaining the landscaping policy, wherever applicable.
