POLICY ON TRANSPORTATION FACILITIES

Preamble

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The transportation policy is developed to ensure quality transit services is provided to the stakeholders with optimal resource utilization.

Policy Statement

The transportation policy of SRM Institute of Science and Technology is to

- Provide sufficient and safe parking facilities for all the stakeholders.
- Plan the efficient routings for optimal fuel consumption and provide service facilities for buses, cars, trucks, ambulances, and auto rickshaws.
- Maintain the record of vehicle performance and monitor its mileage.
- Ensure safe transit facilities for all the stakeholders.
- Provide sufficient shuttle services for the students and faculties.
- Resolve the complaints in shorter time span.
- Purchase of eco-friendly materials from authorized dealers.
- Adopt the standard operating procedure and operational control procedure.
- Attempt to provide e-vehicle/battery operated vehicle for shuttle services.
- Dispose the used engine oil as per hazardous waste management rules, 2016.
- Maintain the necessary compliance obligations related to the state and central legislations.

All the students, research scholars, teaching and non-teaching staff, and other external stakeholders share this responsibility of maintaining the transportation policy, wherever applicable.
