Camp started in the morning at 10.00 am Awareness camp is totally team work which consist of medical and health professionals from various departments of SRMIST. Dr. Abinaya, Department of Community Medicine General medical camp comprises of Pediatrics, General Medicine, Dermatology Checkup were carried out. Totally around 100 students undergone general health checkup. All are treated with free consultation, medication, diagnosis. Patients who need further and regular checkups and treatments were referred to SRM general hospital

provided with free treatment card. Free food is being given when coming for treatment in hospital. This regular camping will improve the health status of the village members and will be very helpful for the early detection, diagnosis and the treatment or therapeutic procedures. People who need medical care were referred to the respective departments and go through detailed evaluation and recommended for the treatment procedures. We covered almost all the households of the village and people got benefitted with the camp and showed their gratitude towards the doctors and health professionals.

The event organizers thanked Dr. V. Thirumurugan, Associate Director (Campus life), Dr. Abinaya, Department of Community Medicine, and her team for taking their valuable time to create health awareness among the school students. Mr. B.R. Rajan Panchayat Union Middle School, Kolathur, Dr. M. Sangeetha IEEE SRM SB Counsellor Professor for taking out their valuable time to create health awareness among the school students.
