**COLLEGE OF SCIENCE & HUMANITIES**

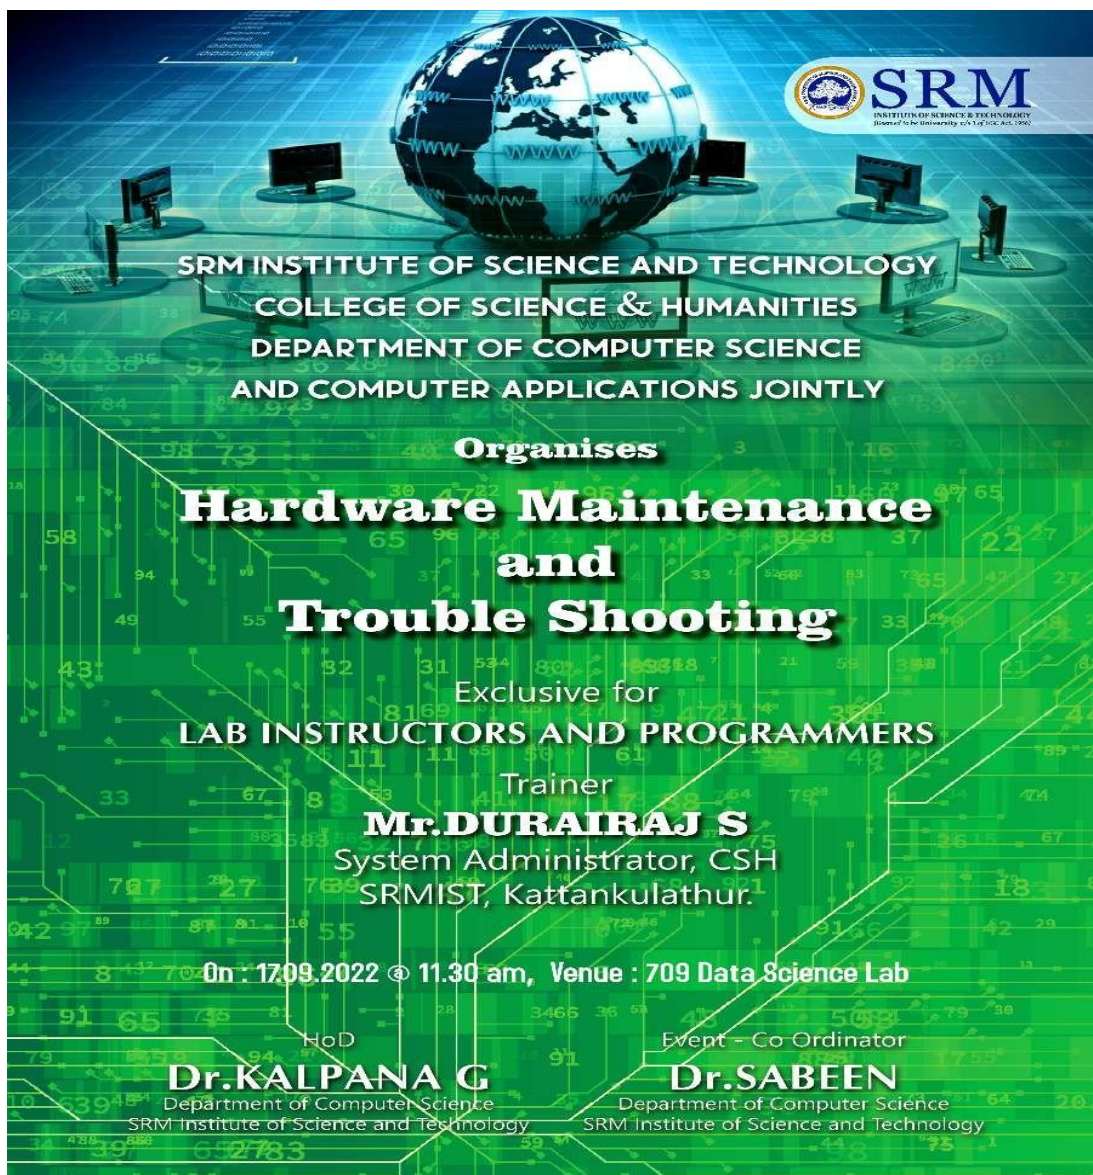

**DEPARTMENT OF COMPUTER SCIENCE &  
COMPUTER APPLICATIONS JOINTLY**

**Organizes**

**Hardware Maintenance and Trouble Shooting**

**About Workshop:**

A hardware maintenance and troubleshooting workshop typically aims to equip participants with the skills and knowledge required to identify, diagnose, and resolve hardware-related issues in computer systems. The workshop aims to empower participants, whether they are IT professionals, technicians, or individuals interested in computer hardware, with the necessary skills and expertise to effectively maintain, diagnose, and troubleshoot hardware issues in computing systems.
