HUMAN RESOURCE MANAGEMENT QUIZ

REPORT:

On September 22, 2023, an engaging and informative event named the "Human Resource Management Quiz" was organized by the 3rd-year B.Com International Accounting and Finance students and Dr. M. Hemanathan, a dedicated assistant professor of the Department of Commerce at SRM Institute of Science and Technology. The primary goal of this event was to promote learning in a fun-filled manner, keeping students motivated and eager to learn. The Human Resource Management Quiz took place on September 22, 2023, from 11 a.m. to 12:40 p.m., providing an engaging learning experience during this time frame.

The event was structured as a quiz competition with several rounds, with a single team eliminated in each round based on scores and performance. The quiz helped enhance participants' knowledge in the field of Human Resource Management. The class was divided into 6 teams, and each team had the opportunity to showcase their knowledge, problem-solving skills, and teamwork. The Human Resource Management Quiz event at SRM Institute of Science and Technology achieved its primary objective of promoting learning excitingly and engagingly.

By incorporating a competitive element and fostering teamwork, the event kept the students motivated and eager to learn. At the end of the last round of the quiz, Team 5 was decided as the overall winner of the quiz, Team 4 was the runner-up, and Team 2 and Team 1 were tied for third place. The tie for third place exemplified the high level of participation and enthusiasm among the students.

Furthermore, the event not only enhanced the participants' understanding of Human Resource Management concepts but also created a fun-filled learning experience that they will likely remember fondly. The involvement of Dr. M. Hemanathan and the students themselves in organizing and participating in this event highlights the commitment to academic excellence and innovative learning methodologies within the Department of Commerce.

The Human Resource Management Quiz was a resounding success, achieving its educational objectives while providing an enjoyable experience for all involved. It showcased the spirit of learning and collaboration at the SRM Institute of Science and Technology, and it is anticipated that similar events in the future will continue to motivate and inspire students in their academic journey.
