This talk was really an eyeopener for the participants as the young speaker had delved into the difference between equity and equality with day to day examples. The speaker explained about Gender equality aims to provide **equal opportunities** for men and women. It focuses on eliminating discrimination based on gender, ensuring that both genders have the same rights, access to education, employment, and participation in decision-making. Gender equity goes beyond equality. It seeks to address historical injustices and imbalances. Equity acknowledges that different groups face varying challenges due to societal norms, biases, and systemic barriers.

Report on International Women's Day Celebration 2023

International Women's Day 2023 was celebrated at SRM IST with grandeur and elegance. The event was graced by the august presence of our Chancellor and his family: Mrs. Geetha Shiva Kumar, Mrs. Padma Priya Ravi, and Mrs. Manimangai Sathyanarayana, who were our special invitees.

The chief guest for the occasion was **Ms. Khushboo Sundar**, a member of the National Commission for Women, Government of India. We were also honored to have **Ms. Rathika Ramasamy**, the first women wildlife photographer and founder of the RR Foundation of Wildlife Conservation (RRFWC), as our guest of honor. Notably, Ms. Rathika Ramasamy is an alumna of SRM.

In alignment with UGC's guidelines, our management meticulously identified and recognized women achievers. This process included thorough background work to identify deserving recipients. Transwomen were also acknowledged and presented with the Women Achiever Award, marking a significant milestone in SRM's history—a testament to our commitment to inclusivity.

During the International Women's Day celebrations, Women Achiever Awards were bestowed upon those women who had excelled in their respective fields. Seven of our distinguished alumnae received awards for their outstanding professional achievements and contributions to society:

1. **Ms. Rathika Ramasamy** (1990 CSE, 1995 MBA)
2. **Ms. G. Bhavani** (1992 Civil)
3. **Ms. R. Sujatha** (1995 ECE)
4. **Ms. K. Yuvaneshwari** (2008 Pharmacy)
5. **Dr. R. Aishwarya** (2011 Medical)
6. **Dr. Manisha Oraon** (2013 Dental)
7. **Ms. S. Vaishnavi** (B.Com 2010, MBA 2012)

Additionally, **Ms. Jayashree Ratan**, the founder of SAAISHA India—an NGO dedicated to helping cancer survivors—received the Women Achiever award for her relentless service.

SRM took a progressive step by honoring a transwoman with the Women Achiever's Award. **Ms. D. Pragati**, founder of The Arrow Fine Arts & Crafts Academy, was recognized for her skill development training for transgender women. Furthermore, a special award was bestowed upon transwoman **Balaguru. H (Margaret Magizhini)**, Assistant Professor in the Department of Fashion Designing at SRM IST.

Lastly, we extended our appreciation to **Mrs. Helen Basker**, Nursing Supervisor from SRM Medical College Hospital & Research, for her exceptional dedication and contributions beyond the call of duty.

This celebration exemplifies SRM's commitment to recognizing and empowering women achievers, fostering inclusivity, and creating a supportive environment for all

Apart from the Women Achievers Awards, Management also wanted to honour the women who were serving continuously for more than 10 years. In order to recognize their continuous service, 10gms silver coin was giving to 692 women fraternity from housekeeping personnel to Professor
