IGEN GREEN DAY 2024

IGEN Green day is October 22 nd of Every year. IGEN green day 2024 was organized by SRMIST, EEE department in association with EEE association on 23.10.2024 during the fresher's day celebration for the first year EEE students. Head of the department given the welcome address.

Dr. N.Kalaiaarasi, presented the overview of sustainable development goals and ensave 9 mantras.

Sustainable Development Goals

- The Sustainable Development Goals (SDGs) are a universal set of 17 interconnected objectives.
- Established by the United Nations in 2015 to address pressing global challenges.
- They aim to promote prosperity while protecting the planet, ensuring that no one is left behind.
- Each goal encompasses specific targets and indicators, covering a wide range of issues such as poverty, inequality, climate change, environmental degradation, peace, and justice.
- The SDGs serve as a blueprint for governments and other societies to collaborate towards a sustainable future by 2030.
- The 22nd of October each year is recognized as IGEN GREENDAY with the aim of motivating people to choose their favorite SDG Goal and take green actions and peace pledges.

After that the students and faculties take a pledge on SDG 12- Responsible consumption. The following pledge are taken during IGEN green day 2024 celebration.
