SRM
INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

**Department of
English and
Foreign Languages**

About the workshop

To create awareness among the students about Japanese Language, Culture, Higher Studies and employability.

The relationship between the two countries has a long history rooted in spiritual affinity and strong cultural and civilizational ties. The relations were elevated to 'Special Strategic and Global Partnership' in 2014.

There are numerous cultural exchange programs between the two nations including a program to promote mutual understanding and co-operation. The areas like education, technology, economic collaboration through trade, investment, and development projects, such as

- *Japan External Trade Organization (JETRO).
- *Technical Intern Training Programme (TITP),
- *Specified Skilled Worker" (SSW)
- *Japan International Cooperative Agency (JICA),
- *Japan-India Cooperative Program (JICP)
- *JENESYS Programme. (14 SRM students visited Japan)
- *Japanese Ministry of Education, Culture, Sports, Sciences and Technology (MEXT)...

There are many Scholarship schemes facilitated by the Ministry of External Affairs, Government of India, which aims to support student exchanges.

About the department

The Department of English and Foreign Languages at the College of Engineering and Technology provides essential training in English and various foreign languages, including German, Japanese, French, Korean, Chinese, and Spanish. The department offers courses aimed at meeting the linguistic needs of future engineering professionals and facilitates credit opportunities for language studies. The department is renowned for its research in language, literature, and interdisciplinary studies, boasting distinguished professors and scholars who have made a lasting impact on generations of students.

About SRM institute of Science and Technology

SRMIST(deemed to be University, u/s of ACT 3 UGC) is located in an extensive sylvan campus of 380 acres skirting the National Highways (NH45), in the outskirts of Chennai. SRMIST is one of the top-ranking Universities and most premier engineering destinations in India with over 52000 students and 3200 faculty members, offering wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine & Health Sciences, Dental Sciences, Agriculture, Law and Science & Humanities. SRMIST collaborates with various foreign Universities and National Institutes.

”

Japan never considers time together as time wasted. Rather, it is time invested.

Donald Richie
