THE INSTITUTE

SRM Institute of Science and Technology (SRMIST) is one of the top ranked universities in India with over 50,000 students and 3,000 plus faculty members, offering a wide range of Undergraduate, Postgraduate and Doctoral Programs in Engineering, Medicine & Health Sciences, Management, Science & Humanities, Law, and Agricultural Sciences. Over the last three decades, it has set standards in experiential learning and knowledge creation across various fields. It has reached beyond borders to Universities and corporates across India and around the World. There are four sprawling campuses three in and around Chennai, and one near New Delhi spread across 250 acres with all facilities. It had conducted 98 Indian Science Congress in January, 2011 which was attended by 7,000 delegates from India and abroad, including six Nobel Laureates and several eminent scientists. SRM IST is the first private University in India to launch a nano-satellite, named SRMSAT, into space, on board the PSLV-C18 from Sriharikota on October 12, 2011. The institution has grown up through international alliances and collaborative initiatives to achieve global excellence. Over 200 students are sponsored for 35-foreign Universities like MIT, Carnegie Mellon, UC Davis, Warwick and Western Australia annually. SRM IST is accredited by NAAC with the highest Grade of 'A++'. QS, the world renowned international ranking agency, has rated SRMIST as 'Four Star, Institute and QS-IGAUGE has awarded Diamond Rating to SRMIST. SRMIST is classified as Category I University by UGC/MHRD and enjoys 12B status too under UGC Act.

DEPARTMENT OF AEROSPACE ENGINEERING

The Department of Aerospace Engineering is the youngest and most exciting department in the School of Mechanical Engineering, established in the year 2007. It offers a four-year degree in B.Tech Program. The department also offers doctoral program in various areas of aerospace engineering. The department holds a decent number of full-time doctoral research scholars. The faculties and students of our department have published a good number of research publications, and patents. Highly qualified and dedicated faculties on board to groom the young minds with a passion for Aerospace Engineering. The department has always attracted the brightest students who have great passion for creativity and innovation. It has well-equipped laboratories. Our Aerospace hangar houses Cessna, Eurocopter, Kiran aircraft, Airbus A300 simulator, different types of engines, and landing gear components. Aerodynamics Lab comprises of subsonic & supersonic wind tunnel, sophisticated high-speed jet facility, smoke tunnel, boundary layer tunnel, etc; Aircraft Structures lab; Aero Fluid Mechanics Lab; Computational Lab & Advanced Computational Lab; Material Testing lab; Avionics lab and Dr. APJ Abdul Kalam Memorial Propulsion Laboratory.

ABOUT THE WORKSHOP

TOPICS:

- ✓ Resilience - the Road towards well-being
- ✓ The Sky is not the Limit for Indian Women

NATIONAL GIRL CHILD DAY

The **National Girl Child Day** is celebrated in India every year on January 24. It was initiated in 2008 by the Ministry of Women and Child Development and the government of India, to spread public awareness about inequities that girls face in Indian society. The day is celebrated with organized programs including awareness campaigns about Save the Girl Child, child sex ratios, and the creation of a healthy and safe environment for girls.
