

SRM Institute of Science and Technology
Deemed to be University Under section 3 of UGC Act 1956
www.srmist.edu.in

POLICY ON CLIMATE ACTION

Preamble

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

Policy Statement

The climate action policy of SRM Institute of Science and Technology is to

- Increase the utilization of solar energy in regular basis.
- Encourage to utilize the energy generated from renewable sources through power purchase agreements.
- Motivate the purchases of green/energy certified products.
- Increase the efficiency of water usage.
- Reduce the carbon footprint by carbon neutralization measures.
- Increase the plantation of native trees.
- Promote research on socio-economic impacts of climate change.

All the students, research scholars, teaching and non-teaching staff, and other external stakeholders share this responsibility of maintaining the climate action policy, wherever applicable.
