Founder Chancellor Dr. T. R. Paarivendar

FROM THE CHANCELLOR

I am very glad that SRM Institute of Science and Technology (SRMIST) is bringing out its Annual Report 2022-23 showcasing its achievements and accomplishments.

SRMIST, through its multidisciplinary programs under six Faculties, endeavor to be at the forefront of innovation seeking solutions to the most pressing global problems collaborating with leading universities in India and abroad.

Even before National Education Policy (NEP) -2020 was released by the Government, SRMIST has been practicing multiple tenets of NEP like transfer of credits, outcome-based education, migration of students from other institutions to SRMIIST, credits for learning MOOC courses, interdisciplinary projects, open elective courses outside one's specialized program, value education and learning multiple languages. Now, with the vigorous implementation of NEP, the students and faculty base benefited by NEP at SRMIST has been increasing rapidly.

Our goal is to deliver world-class education that inspires curiosity and generate new knowledge and discoveries catering to the needs of Global communities with an emphasis on sustainability. Our collaboration with over 60 of the world's best universities and 300 corporates strengthens our academic and research programs.
