

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

(Deemed to be University u/s 3 of UGC Act, 1956)
SRM Nagar, Kattankulathur – 603 203

FACULTY OF ENGINEERING AND TECHNOLOGY

VENUES FOR END SEMESTER THEORY EXAMINATIONS – MAY – JULY 2025

Sl.No	Venues	Programmes & Branches
01.	MAIN CAMPUS	<p>B.Tech : (FT) Aerospace Engineering, Automation and Robotics, Automobile Engineering, Automobile Engineering with specialization in Automotive Electronics, Automobile Engineering with Specialization in Vehicle Testing, Automotive Engineering, Civil Engineering, Civil Engineering with Computer Application, Artificial Intelligence, Computer Science and Engineering with specialization in Software Engineering, Software Engineering, Electrical and Electronics Engineering, Electronics & Instrumentation Engineering, Mechanical Engineering, Mechanical Engineering with specialization in Artificial Intelligence and Machine Learning, Mechanical Engineering (Automation and Robotics) Mechatronics Engineering, Mechatronics Engineering with specialization in Robotics, Mechatronics Engineering (Autonomous driving Technology), Mechatronics Engineering (immersive technologies), Mechatronics Engineering (Industrial IOT and Systems Engineering), Electric Vehicle Technology, Nanotechnology and Electrical and Computer Engineering</p> <p>M.Tech: (FT) Structural, CEM, Environmental, Geotechnical Engineering, Robotics, CAD, Solar Energy, Power System, Power Electronics and Drives, Nanotechnology, Automotive Hybrid Systems Engineering, Mechatronics, Electric Vehicle Technology, Automotive Technology, Electronics and Control Engineering, Automation & Robotics, Big data Analytics, Cloud Computing, Internet of Things, ISCF, Thermal Engineering, Aerospace engineering, Wireless Communication Technology.</p> <p>M.Tech Integrated (FT) – All Programmes. Flexi Time & Part-time : B.Tech and M.Tech – All programmes</p>
02	UNIVERSITY BLOCK	<p>B.Tech : (FT) Computer Science and Engineering with Specialization in Computer Networking, Computer Science and Engineering with Specialization in Internet of Things, Computer Science and Engineering with Specialization in Block Chain Technology, Computer Science and Engineering with Specialization in Gaming Technology, Computer Science and Engineering with Specialization in Information Technology, Information Technology, Computer Science and Engineering (Data Science), Computer Science and Business System, Computer Science and Engineering with Specialization in Cyber Security</p>
03.	BIOTECH BLOCK	<p>B.Tech : (FT) Biomedical Engineering, Biomedical Engineering (Machine Intelligences), Biotechnology, Biotechnology (Computational Biology), Chemical Engineering, Biotechnology With Specialization In Genetic Engineering, Biotechnology With Specialization In Regenerative Medicine, Electronics and Communication Engineering, Biotechnology (Food Technology).</p> <p>B.Arch, B.Des , M.Arch and M.Des</p> <p>M.Tech: (FT) Biotechnology, Biomedical, Chemical, Food & Nutritional biotechnology, Food Safety & Quality Management, Genetic Engineering, Embedded, VLSI, Advanced PG Diploma in Life Science Technologies</p> <p>Ph.D - All programmes</p>
04.	TECH PARK - I	B.Tech : (FT) - Computer Science and Engineering and Minor Program
05.	TECH PARK – II	<p>Electronics Engineering (VLSI Design and Technology), Electronics and Communication Engineering with Specialization in Cyber Physical Systems, Electronics and Communication Engineering with Specialization in Data Science, Electronics and Computer Engineering Computer Science & Engineering with Specialization in Artificial Intelligence and Machine Learning, Computer Science and Engineering with specialization in Big Data Analytics, Computer Science and Engineering with Specialization in Cloud Computing</p> <p>SAP visiting students</p>
