**Workshop**

**Theme: Hand Splinting**

**SRM College of Occupational Therapy takes great pride in organizing an enriching and impactful workshop on “Hand Splinting”**

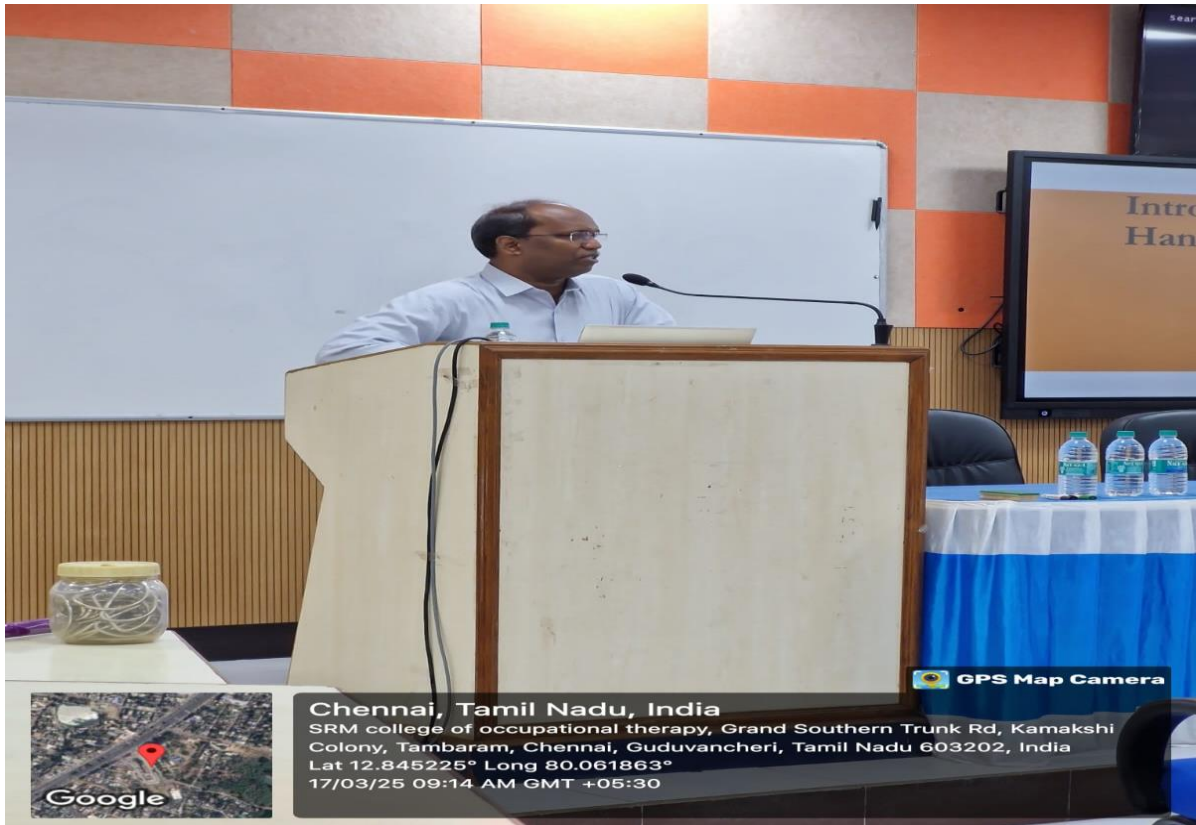

The workshop was conducted for 2 days on 17<sup>th</sup> and 18<sup>th</sup> of March 2025.

We are delighted to announce the successful completion of the **Hand Splinting Workshop** organized by **SRM College of Occupational Therapy, SRMIST**. The workshop provided an enriching platform for students to gain hands-on experience and in-depth knowledge about the principles, techniques, and applications of hand splinting in occupational therapy.

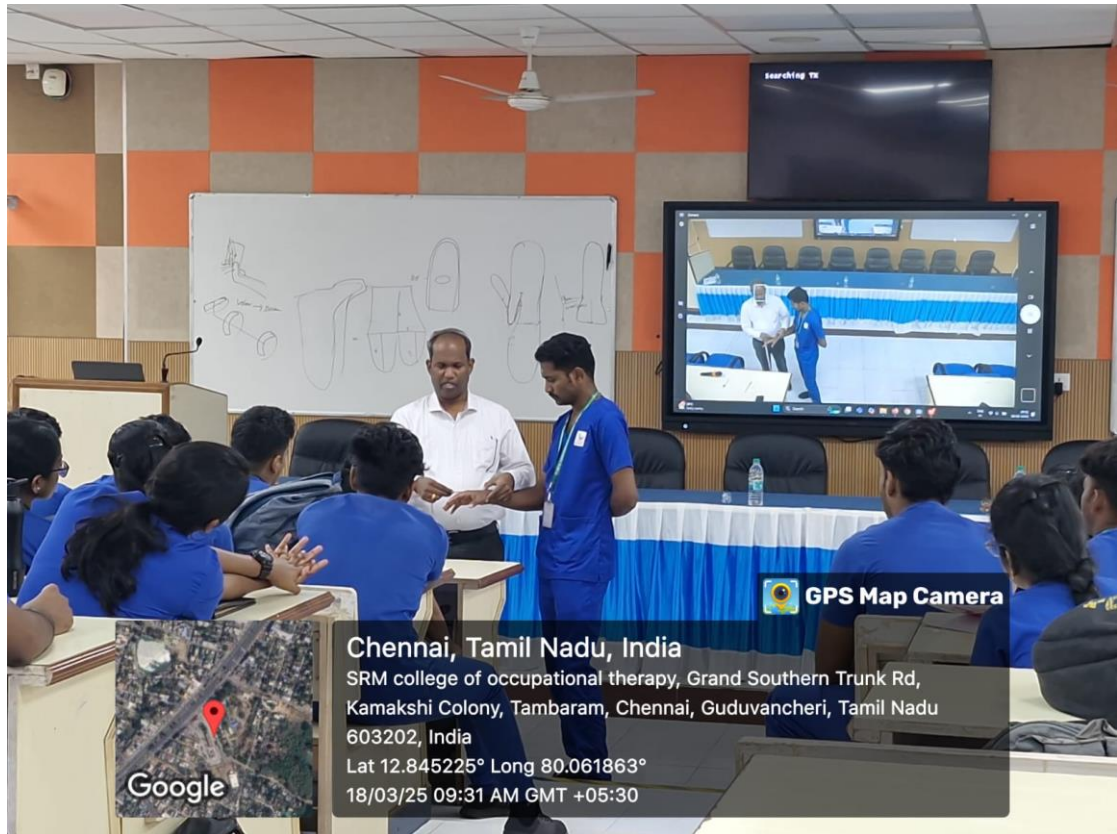

Under the expert guidance of our **distinguished resource person, Mr. Sridhar D., Sir**. Participants had the opportunity to enhance their practical skills in splint fabrication, patient assessment, and customization of splints for various conditions. The interactive sessions, live demonstrations, and hands-on training were highly appreciated by all attendees.

A total of **114 students**, including **80 BOT internship students and 34 BOT 4th-year students**, actively participated and benefited from this insightful session. Their enthusiasm and dedication contributed to making this workshop a remarkable learning experience.

This event was a grand success, and we extend our heartfelt gratitude to **Dr. U. Ganapathy Sankar Sir, Dean, SRM College of Occupational Therapy, SRMIST**, for his unwavering support and leadership in organizing this workshop.
