**Master of Technology** 

(Choice Based Flexible Credit System)

**Regulations 2021** 

Volume - 21 Curriculum

### SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

(Deemed to be University u/s 3 of UGC Act, 1956)
Kattankulathur, Chengalpattu District 603203,
Tamil Nadu, India

# SRM INSTITUTE OF SCIENCE AND TECHNOLOGY Kattankulathur, Chengalpattu District 603203, Tamil Nadu, India

#### 31 M.Tech in Power Electronics and Drives

| 31. (a) Department Vision Stateme |
|-----------------------------------|
|-----------------------------------|

| ĺ | Ctmt 1 | To impart quality education in the field of Electrical & Electronics Engineering and to produce globally competent |
|---|--------|--------------------------------------------------------------------------------------------------------------------|
|   |        | engineers to serve the society.                                                                                    |

#### 31. (b) Department Mission Statement

| Stmt - 1 | To educate the student to become better practicing engineers to meet global excellence.                                                                  |  |  |  |  |  |  |  |  |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|--|--|--|--|
| Stmt - 2 | To provide better environment through latest developments in electrical engineering involving problem solving, design, practice and training.            |  |  |  |  |  |  |  |  |
| Stmt - 3 | To motivate the graduates to become a good leader, designer and researcher through industry-oriented trainings with social and ethical responsibilities. |  |  |  |  |  |  |  |  |

#### 31. (c) Program Education Objectives (PEO)

| PEO - 1 | Graduates will be equipped with adequate knowledge and skills in the chosen areas so as to excel in career and advance professionally.                           |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PEO - 2 | Graduates will exhibit eminence in multidisciplinary research of social relevance with sustainable development                                                   |
| PEO - 3 | Graduates will be able to explore new opportunities and take up leading and challenging roles as entrepreneurs and administrators for technological advancement. |

#### 31. (d) Consistency of PEO's with Mission of the Department

|         | Mission Stmt 1 | Mission Stmt 2                                                             | Mission Stmt 3 |
|---------|----------------|----------------------------------------------------------------------------|----------------|
| PEO - 1 | 3              | 3                                                                          | 125 July 1     |
| PEO - 2 | 2              | 4                                                                          | 3              |
| PEO - 3 | 149.47         | [1] [1] [2] [2] [2] [2] [2] [2] [3] [4] [4] [4] [4] [4] [4] [4] [4] [4] [4 | 3              |

#### 31. (e) PO – Program Outcomes

| PO - 1 | An ability to independently carry out research /investigation and development work to solve practical problems.                                                                                                       |  |  |  |  |  |  |  |  |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|--|--|--|--|
| PO - 2 | An ability to write and present a substantial technical report/document.                                                                                                                                              |  |  |  |  |  |  |  |  |
| PO - 3 | Students should be able to demonstrate a degree of mastery over the area as per the specialization of the program. The mastery should be at a level higher than the requirements in the appropriate bachelor program. |  |  |  |  |  |  |  |  |

#### 31. (f) Consistency of PEO's with Program Outcomes (PO)

|         | 7 TARN    |     |   |
|---------|-----------|-----|---|
| 7       | 1 Printer | 2 - | 3 |
| PEO - 1 | 3         |     | 3 |
| PEO - 2 |           | 3   |   |
| PEO - 3 |           | -   | 3 |

<sup>3 –</sup> High Correlation, 2 – Medium Correlation, 1 – Low Correlation
