Semester Abroad Program (SAP)

SRM Institute of Science and Technology (SRMIST), a renowned educational institution in India, is celebrated for its commitment to academic excellence, dynamic opportunities, and impressive placement track record. Among its numerous pioneering initiatives, the **Semester Abroad Program (SAP)** stands out as a trailblazer, offering students a gateway to international education and global exposure. This program, considered one of the first of its kind in India, is a testament to SRMIST's dedication to shaping globally competent graduates.

The SAP allowed EEE students to immerse themselves in the academic environment of reputed foreign universities for one semester. During this period, they have the opportunity to take up specialized courses in Electrical Engineering, Entrepreneurship, etc, or engage in major projects that align with their field of study. The credits earned during this international stint are carefully converted into SRMIST credits through an approved procedure, ensuring seamless integration with the student's academic progress.

Upon completing their study abroad experience, students returned to SRMIST to continue their degree program. The foreign exposure not only enhances their academic credentials but also broadens their cultural horizons and professional networks. Once all requirements of their degree are fulfilled as per SRMIST's regulations, students become eligible for graduation, equipped with both international insights and academic expertise.

Over the years, EEE Department students have pursued their SAP journey at renowned institutions across the globe, including:

STARS OF SEMESTER ABROAD PROGRAMME

NAME OF THE STUDENT	YEAR OF COLLABORATION	SAP PROGRAMME
G.R.Vishal	2020	Saxion University, Netherlands
Jotirmoy Samanta	2019	Saxion University, Netherlands
Anuj more	2019	National Formosa University, Taiwan
Tharwin Kumar	2019	Saxion University of Applied Sciences, Netherlands
Srinidhi P B	2019	Saxion University of Applied Sciences, Netherlands

Avyay Sah	2018	University of California, Berkeley
Arundhishaan	2018	University of California, Berkeley
Mehak Handa	2017	University of Wisconsin- Milwaukee
Dhruv Gupta	2017	National university of Singapore
Ishan Vaghasia	2016	University of California, Davis

Romal Patel	2016	University of California, Davis
Ruhi Rahtekar	2016	University of Wisconsin
Priya Palanichamy Kala	2015	Massachusetts institute of technology- MIT, Boston, USA
Harsh Modi	2015	Plymouth University, England
Rishi Naidu	2014	Massachusetts institute of technology- MIT, Boston, USA

Karthik Deepak Natraj	2012	University of Wisconsin
