

SRM

INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

SDG REPORT

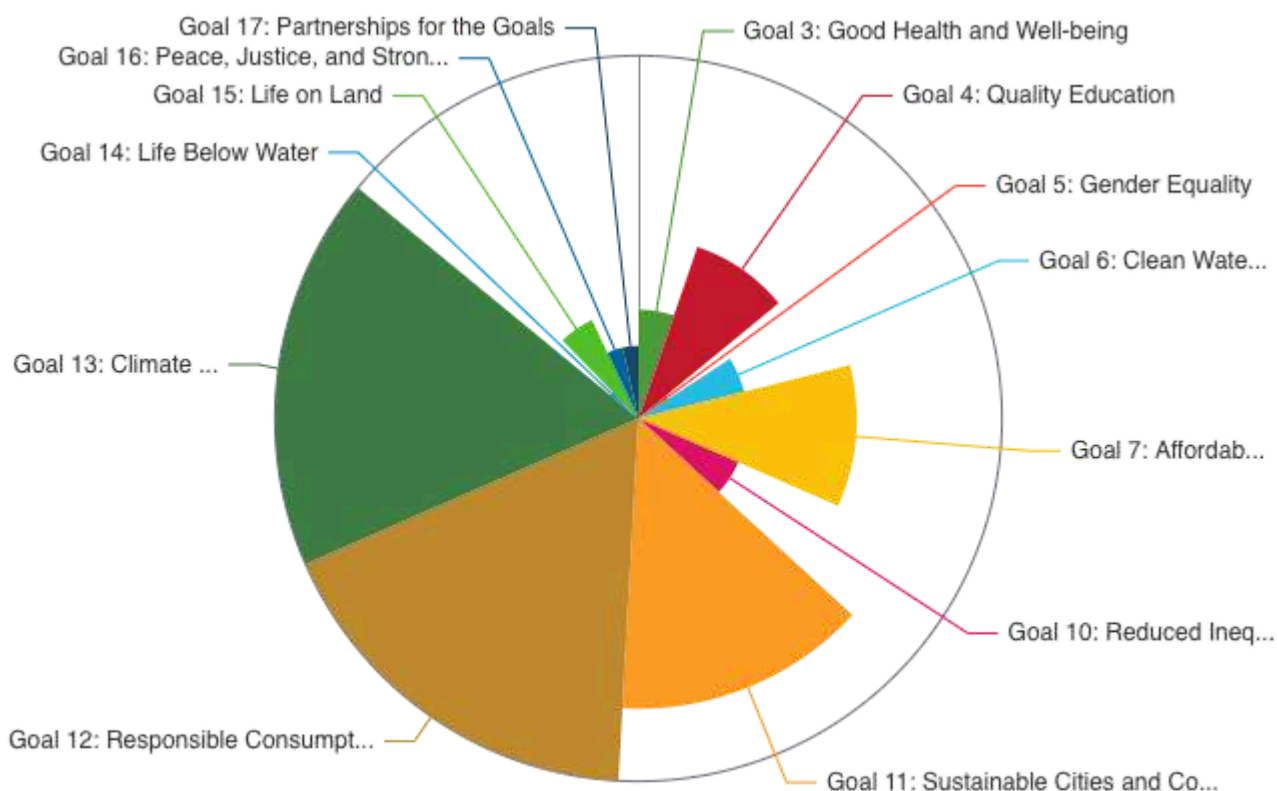

On Policy Frameworks

(All Time)

Overview

Number of Policy Frameworks for each goal:

Ensure healthy lives and promote well-being for all at all ages.

1. **Policy Title:**

POLICY ON TRANSPORTATION FACILITIES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The transportation policy is developed to ensure quality transit services is provided to the stakeholders with optimal resource utilization

2. **Policy Title:**

Policy on Pedestrian Walkway

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. 6000 sqm area of pedestrian walk way is provided for the stakeholders to walk without any hinderance from other transit facilities. The pedestrian walkway policy is developed to provide sufficient space for walking in and around the campus.

3. Policy Title:**Policy on Restricted Entry of Automobiles****Summary:**

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The restricted entry of automobiles policy is developed to restrict the entry of outside vehicles inside the campus.

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

1. **Policy Title:**

POLICY ON EQUALITY, DIVERSITY AND INCLUSION

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top- ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. SRMIST was dedicated to promoting an all-encompassing atmosphere that appreciates and honors the variety within our community. The Equality, Diversity, and Inclusion policy aims to guarantee equitable access to opportunities and resources for all individuals, fostering a culture characterized by respect and justice. Our goal is to establish a nurturing environment that enables individuals from all backgrounds to excel and make valuable contributions to the institution's achievements.

2. **Policy Title:**

Facility for disability personals campus wise

Summary:

Facility for disability personals campus wise

3. **Policy Title:**

Plastic Policy

Summary:

As a forward-thinking educational institution, SRM Institute of Science and Technology has taken a proactive stance in tackling the pressing issue of plastic pollution. Recognizing the urgent need for action, this policy is a testament to the institution's commitment to environmental sustainability. It outlines various measures and initiatives to address plastic pollution within its operations and foster an eco-conscious culture among its students, faculty, and staff.

4. **Policy Title:**

Policy on Climate Action

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

5. **Policy Title:**

Policy on Barrier Free Environment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The barrier free environment is to make buildings and facilities accessible to and usable by all people including those living with disabilities and may include those with inability to walk or difficulty in walking, reliance on walking/ mobility aids, blindness and visual impairments, speech and hearing impairments, limited-coordination of motor movements, reaching and manipulation, lack of stamina, difficulty in interpretation and reacting to sensory information and extremities of physical size.

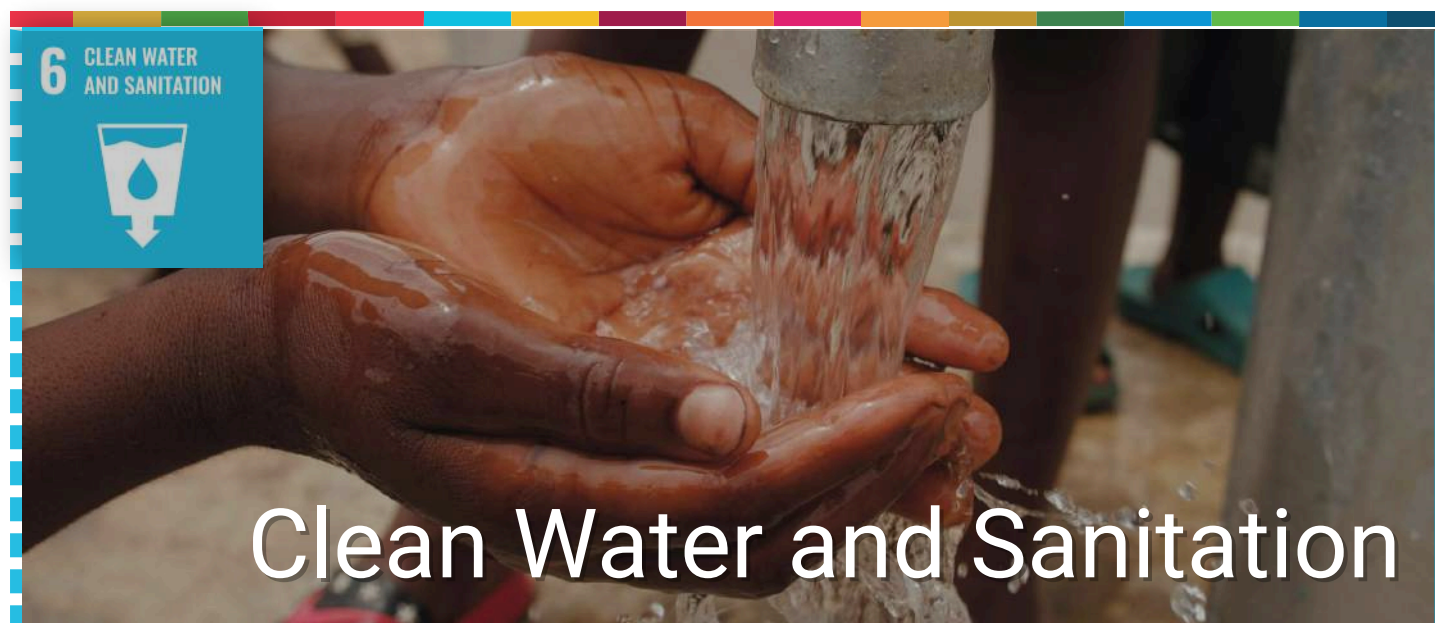

Achieve gender equality and empower all women and girls.

1. **Policy Title:**

POLICY ON EQUALITY, DIVERSITY AND INCLUSION

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top- ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. SRMIST was dedicated to promoting an all-encompassing atmosphere that appreciates and honors the variety within our community. The Equality, Diversity, and Inclusion policy aims to guarantee equitable access to opportunities and resources for all individuals, fostering a culture characterized by respect and justice. Our goal is to establish a nurturing environment that enables individuals from all backgrounds to excel and make valuable contributions to the institution's achievements.

Clean Water and Sanitation

Ensure availability and sustainable management of water and sanitation for all.

1. **Policy Title:**

Policy on Sustainable Investment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The institute invests significant part of its budget for the sustainable activities towards the attainment of Net-Carbon zero by 2070. The policy on sustainable investment is established to systematically channelize the investment towards the utilization of renewable energy sources.

2. **Policy Title:**

Water Policy

Summary:

The water policy of SRM Institute of Science and Technology defines the strategic direction to perform all activities/processes leading to sustainable usage of water resources. This water policy contributes to the institute's broader commitment to social responsibility and attainment of United Nations Sustainable Development Goal 6 (Clean Water and Sanitation).

3. Policy Title:**POLICY ON GREEN CAMPUS****Summary:**

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various under-graduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants,. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency, waste management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

Ensure access to affordable, reliable, sustainable, and modern energy for all.

1. **Policy Title:**

POLICY ON ENERGY UTILIZATION

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top ranking institutes in India. SRMIST offers various under graduate, post-graduate and doctorate programs in different faculties. The optimum utilization of energy will result in sustainable development. Electricity and Liquefied Petroleum Gas (LPG) are the primary energy utilized in the campus. The energy policy was developed to enhance the efficient consumption of electricity and LPG.

2. **Policy Title:**

POLICY ON ATTAINMENT OF NET-ZERO

Summary:

The net-zero policy of SRM Institute of Science and Technology defines the strategic direction to perform all activities/processes leading to carbon neutral campus by the year 2050. This net-zero policy contributes to the institute's broader commitment to social and environmental responsibility and the attainment of the United Nations Sustainable Development Goals. The SRMIST will prioritize reduction in greenhouse gas (GHG) emissions and offset the existing and unavoidable emiss-

ions by 2050. The carbon emissions are calculated as per GHG protocol corporate standard and shall be reported to the top management once a year.

3. **Policy Title:**

POLICY ON GREEN CAMPUS

Summary:

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various under-graduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants,. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency, waste management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

4. **Policy Title:**

POLICY ON USE OF BI-CYCLES/BATTERY POWERED VEHICLES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The use of bi-cycles/battery powered vehicles policy is developed to provide passive transit facilities for the students and other stakeholders.

5. **Policy Title:**

Policy on Climate Action

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

6. Policy Title:

Policy on Sustainable Investment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The institute invests significant part of its budget for the sustainable activities towards the attainment of Net-Carbon zero by 2070. The policy on sustainable investment is established to systematically channelize the investment towards the utilization of renewable energy sources.

Reduce inequality within and among countries.

1. **Policy Title:**

POLICY ON EQUALITY, DIVERSITY AND INCLUSION

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top- ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. SRMIST was dedicated to promoting an all-encompassing atmosphere that appreciates and honors the variety within our community. The Equality, Diversity, and Inclusion policy aims to guarantee equitable access to opportunities and resources for all individuals, fostering a culture characterized by respect and justice. Our goal is to establish a nurturing environment that enables individuals from all backgrounds to excel and make valuable contributions to the institution's achievements.

2. **Policy Title:**

Policy on Barrier Free Environment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The barrier free environment is to make buildings and facilities accessible to and usable by all people including those living with disabilities and may include those with inability to walk or difficulty in walki-

ng, reliance on walking/ mobility aids, blindness and visual impairments, speech and hearing impairments, limited-coordination of motor movements, reaching and manipulation, lack of stamina, difficulty in interpretation and reacting to sensory information and extremities of physical size.

3. **Policy Title:**

Facility for disability personals campus wise

Summary:

Facility for disability personals campus wise

Make cities and human settlements inclusive, safe, resilient, and sustainable.

1. **Policy Title:**

POLICY ON USE OF BI-CYCLES/BATTERY POWERED VEHICLES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The use of bi-cycles/battery powered vehicles policy is developed to provide passive transit facilities for the students and other stakeholders.

2. **Policy Title:****POLICY ON GREEN CAMPUS****Summary:**

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various under-graduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants,. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency, waste management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

3. **Policy Title:****Policy on Restricted Entry of Automobiles****Summary:**

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The restricted entry of automobiles policy is developed to restrict the entry of outside vehicles inside the campus.

4. **Policy Title:****Policy on Barrier Free Environment****Summary:**

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The barrier free environment is to make buildings and facilities accessible to and usable by all people including those living with disabilities and may include those with inability to walk or difficulty in walking, reliance on walking/ mobility aids, blindness and visual impairments, speech and hearing impairments, limited-coordination of motor movements, reaching and manipulation, lack of stamina, difficulty in interpretation and reacting to sensory information and extremities of physical size.

5. **Policy Title:**

Policy on Pedestrian Walkway

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. 6000 sqm area of pedestrian walk way is provided for the stakeholders to walk without any hinderance from other transit facilities. The pedestrian walkway policy is developed to provide sufficient space for walking in and around the campus.

6. **Policy Title:**

POLICY ON TRANSPORTATION FACILITIES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The transportation policy is developed to ensure quality transit services is provided to the stakeholders with optimal resource utilization

7. **Policy Title:**

POLICY ON ATTAINMENT OF NET-ZERO

Summary:

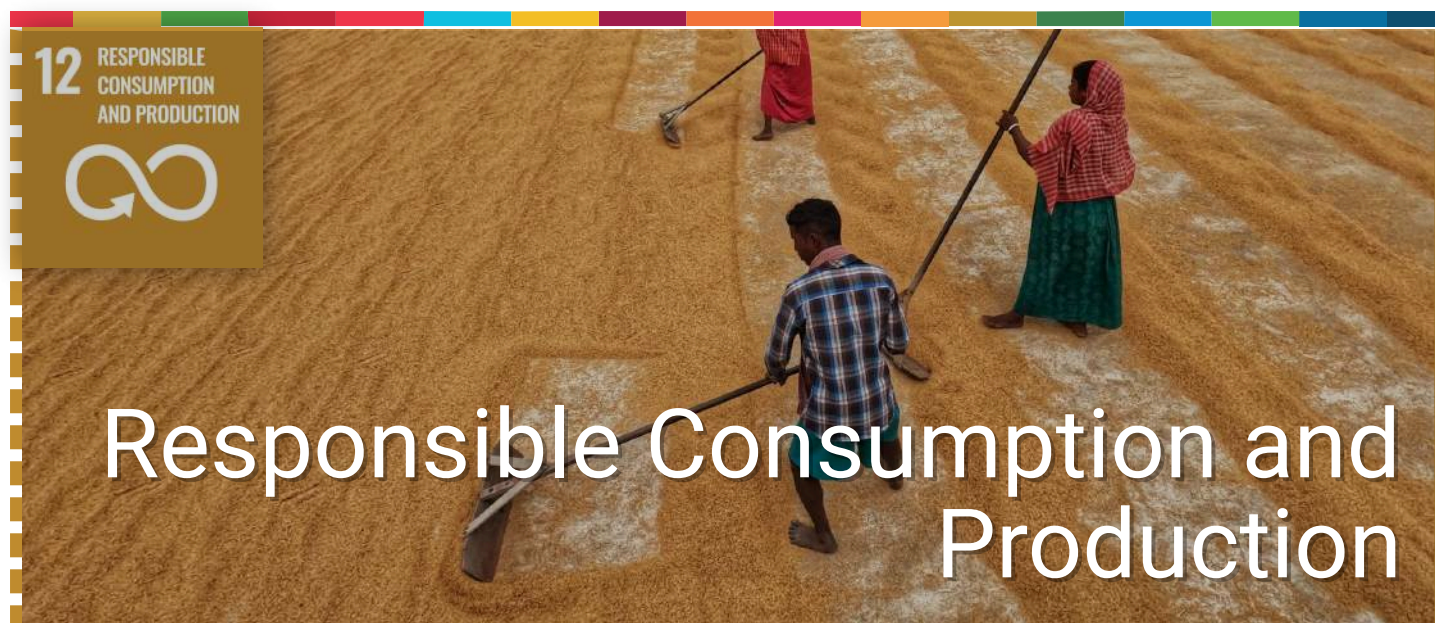

The net-zero policy of SRM Institute of Science and Technology defines the strategic direction to perform all activities/processes leading to carbon neutral campus by the year 2050. This net-zero policy contributes to the institute's broader commitment to social and environmental responsibility and the attainment of the United Nations Sustainable Development Goals. The SRMIST will prioritize reduction in greenhouse gas (GHG) emissions and offset the existing and unavoidable emissions by 2050. The carbon emissions are calculated as per GHG protocol corporate standard and shall be reported to the top management once a year.

8. **Policy Title:**

Policy on Landscaping

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The overall area of landscaping is 1,15,183 sqm with 5,587 trees of multiple variants.

Ensure sustainable consumption and production patterns.

1. **Policy Title:**

Policy on Sustainable Procurement

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The goods and services required for the various operations for the institute are purchased through competent vendors. The policy on sustainable procurement is developed to procure the goods/services in an appropriate time and cost-effective manner, ensuring all the compliance requirements. This policy is applicable to all the purchase related activities for the academic, research, and maintenance activities.

2. **Policy Title:**

POLICY ON ENERGY UTILIZATION

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top ranking institutes in India. SRMIST offers various under graduate, post-graduate and doctorate programs in different faculties. The optimum utilization of energy will result in sustainable development. Electricity and Liquefied Petroleum Gas (LPG) are the primary energy utilized in the campus. The energy policy was developed to enhance the efficient consumption of electricity and LPG.

3. **Policy Title:**

Environmental Management System

Summary:

The environmental policy of SRM Institute of Science and Technology, Kattankulathur Campus, defines the strategic direction to perform all activities/processes concerning environmental considerations. This environmental policy contributes to the institute's broader commitment to social responsibility.

4. **Policy Title:**

Plastic Policy

Summary:

As a forward-thinking educational institution, SRM Institute of Science and Technology has taken a proactive stance in tackling the pressing issue of plastic pollution. Recognizing the urgent need for action, this policy is a testament to the institution's commitment to environmental sustainability. It outlines various measures and initiatives to address plastic pollution within its operations and foster an eco-conscious culture among its students, faculty, and staff.

5. **Policy Title:**

Policy on Climate Action

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

6. **Policy Title:**

Policy on Sustainable Investment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The institute invest significant part of its budget for the sustainable activities towards the attainment of Net-Carbon zero by 2070.

The policy on sustainable investment is established to systematically channelize the investment towards the utilization of renewable energy sources.

7. **Policy Title:**

POLICY ON ATTAINMENT OF NET-ZERO

Summary:

The net-zero policy of SRM Institute of Science and Technology defines the strategic direction to perform all activities/processes leading to carbon neutral campus by the year 2050. This net-zero policy contributes to the institute's broader commitment to social and environmental responsibility and the attainment of the United Nations Sustainable Development Goals. The SRMIST will prioritize reduction in greenhouse gas (GHG) emissions and offset the existing and unavoidable emissions by 2050. The carbon emissions are calculated as per GHG protocol corporate standard and shall be reported to the top management once a year.

8. **Policy Title:**

Policy on The Ban of Single Use Plastic

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The waste management activities are performed as per the recommendations mentioned in the solid waste management rules and amendments provided by the Ministry of Environment at regular intervals. The ban on single use plastic policy is developed to restrict the utilisation of single use plastic in any form in the campus.

9. **Policy Title:**

POLICY ON TRANSPORTATION FACILITIES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The transportation policy is developed to ensure quality transit services is provided to the stakeholders with optimal resource utilization

10. **Policy Title:****POLICY ON GREEN CAMPUS****Summary:**

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various under-graduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants,. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency, waste management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

Take urgent action to combat climate change and its impacts.

1. **Policy Title:**

Policy on Sustainable Procurement

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The goods and services required for the various operations for the institute are purchased through competent vendors. The policy on sustainable procurement is developed to procure the goods/services in an appropriate time and cost-effective manner, ensuring all the compliance requirements. This policy is applicable to all the purchase related activities for the academic, research, and maintenance activities.

2. **Policy Title:**

POLICY ON GREEN CAMPUS

Summary:

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various undergraduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants,. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency,

wast management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

3. **Policy Title:**

Policy on Landscaping

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The overall area of landscaping is 1,15,183 sqm with 5,587 trees of multiple variants.

4. **Policy Title:**

Plastic Policy

Summary:

As a forward-thinking educational institution, SRM Institute of Science and Technology has taken a proactive stance in tackling the pressing issue of plastic pollution. Recognizing the urgent need for action, this policy is a testament to the institution's commitment to environmental sustainability. It outlines various measures and initiatives to address plastic pollution within its operations and foster an eco-conscious culture among its students, faculty, and staff.

5. **Policy Title:**

POLICY ON TRANSPORTATION FACILITIES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The transportation policy is developed to ensure quality transit services is provided to the stakeholders with optimal resource utilization

6. **Policy Title:**

POLICY ON ATTAINMENT OF NET-ZERO

Summary:

The net-zero policy of SRM Institute of Science and Technology defines the strategic direction to perform all activities/processes leading to carbon neutral campus

by the year 2050. This net-zero policy contributes to the institute's broader commitment to social and environmental responsibility and the attainment of the United Nations Sustainable Development Goals. The SRMIST will prioritize reduction in greenhouse gas (GHG) emissions and offset the existing and unavoidable emissions by 2050. The carbon emissions are calculated as per GHG protocol corporate standard and shall be reported to the top management once a year.

7. **Policy Title:**

Policy on Sustainable Investment

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The institute invests significant part of its budget for the sustainable activities towards the attainment of Net-Carbon zero by 2070. The policy on sustainable investment is established to systematically channelize the investment towards the utilization of renewable energy sources.

8. **Policy Title:**

Policy on Climate Action

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

9. **Policy Title:**

Environmental Management System

Summary:

The environmental policy of SRM Institute of Science and Technology, Kattankulathur Campus, defines the strategic direction to perform all activities/processes concerning environmental considerations. This environmental policy contributes to the institute's broader commitment to social responsibility.

10. **Policy Title:****POLICY ON USE OF BI-CYCLES/BATTERY POWERED VEHICLES****Summary:**

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The use of bi-cycles/battery powered vehicles policy is developed to provide passive transit facilities for the students and other stakeholders.

Conserve and sustainably use the oceans, seas, and marine resources for sustainable development.

1. **Policy Title:**

Policy on The Ban of Single Use Plastic

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The waste management activities are performed as per the recommendations mentioned in the solid waste management rules and amendments provided by the Ministry of Environment at regular intervals. The ban on single use plastic policy is developed to restrict the utilisation of single use plastic in any form in the campus.

Protect, restore, and promote sustainable use of terrestrial ecosystems, manage forests sustainably, combat desertification, and halt biodiversity loss.

1. **Policy Title:**

Policy on Landscaping

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The overall area of landscaping is 1,15,183 sqm with 5,587 trees of multiple variants.

2. **Policy Title:**

POLICY ON GREEN CAMPUS

Summary:

SRM Institute of Science and Technology is one of the top ranking universities in India. SRMIST offers various under-graduate, post-graduate and doctoral programs in different faculties. The landscaping facilities provide ambient environmental conditions throughout the campus. The green cover area is 1,15,183 sqm with 5,587 trees of multiple variants. The policy on green campus was developed to conserve natural resources like water and biodiversity, optimize energy efficiency,

waste management and educate about climate change and sustainability while addressing the well-being of all the stakeholders.

3. **Policy Title:**

Environmental Management System

Summary:

The environmental policy of SRM Institute of Science and Technology, Kattankulathur Campus, defines the strategic direction to perform all activities/processes concerning environmental considerations. This environmental policy contributes to the institute's broader commitment to social responsibility.

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all, and build effective, accountable, and inclusive institutions at all levels.

1. **Policy Title:**

Policy on Restricted Entry of Automobiles

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The restricted entry of automobiles policy is developed to restrict the entry of outside vehicles inside the campus.

2. **Policy Title:**

POLICY ON ANTI-BRIBERY AND ANTI-CORRUPTION

Summary:

SRM Institute of Science and Technology is committed to conducting its operations with the highest standards of integrity, transparency, and accountability. This Anti-Bribery and Anti-Corruption Policy outlines our commitment to preventing bribery and corruption in all institutional activities and applies to all employees, students, contractors, and associated individuals.

Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development.

1. **Policy Title:**

Policy on Climate Action

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers various undergraduate, postgraduate, and doctoral programs in different faculties. The increase in the global temperature results in abnormal heat waves and rise in sea level. The policy on climate action is established as per the requirements of the National Action Plan on Climate Change (NAPCC) by Ministry of Environment, Forest and Climate Change.

2. **Policy Title:**

POLICY ON USE OF BI-CYCLES/BATTERY POWERED VEHICLES

Summary:

SRM Institute of Science and Technology (SRMIST) is one of the top-ranking institutes in India. SRMIST offers a wide range of undergraduate, postgraduate and doctoral programs in different faculties. The use of bi-cycles/battery powered vehicles policy is developed to provide passive transit facilities for the students and other stakeholders.
