## **FROM THE CHANCELLOR**

SRM Institute of Science and Technology engineering programs endeavor to be at the forefront of innovation. They also foster multi-disciplinary collaborations aimed at solving the most pressing global problems.

Our mission is to seek solutions to global challenges by using the power of engineering principles, techniques and systems. We believe that engineers should not only possess deep technical excellence, but also nurture creativity, cultural awareness and entrepreneurial skills that come from exposure to science, business, medicine and other disciplines - all an integral part of the SRM experience.

Our goal is to deliver world class, problem driven programs that inspire curiosity and generate new knowledge and discoveries. Our collaboration with over 50 of the world's best universities and 215 corporates strengthens our academic and research programs.

The University is committed to pioneering innovations in research, transferring discoveries to broader community and educating tomorrow's leaders and entrepreneurs.

**Dr. T. R. Paarivendhar**

Founder Chancellor

SRM Institute of Science and Technology

## **VISION**

To emerge as a world-class University in creating and disseminating knowledge and providing students a unique learning experience in science, technology, medicine, management and other areas of scholarship that will best serve the world and betterment of mankind.

## **MISSION**

**TO MOVE UP** through international alliances and collaborative initiatives to achieve global excellence.

**TO ACCOMPLISH A PROCESS** to advance knowledge in a rigorous academic and research environment.

**TO ATTRACT AND BUILD PEOPLE** in a rewarding and inspiring environment by fostering freedom, empowerment, creativity and innovation.

## **RECOGNITION AND ACCREDITATION**

A continuous emphasis on modern teaching methods, global links for research, student exchange and knowledge sharing, world class infrastructure, placement, diversity of students and industry institute interactions have consistently placed SRM students well ahead in every field. This dedication to academic excellence has brought accolades for the University in the form of recognition and accreditation.

### **RECOGNITION**

The Ministry of Human Resource Development (MHRD), Department of Higher Education, Government of India, has placed SRM Institute of Science and Technology (SRM IST) in the highest Category 'A'.

### **UNIVERSITY ACCREDITATION**

SRM is accredited by NAAC (National Assessment and Accreditation Council – An Autonomous Institution of the University Grants Commission) with 'A' grade – the highest grading.

### **PROGRAM ACCREDITATION**

The following programs of Kattankulathur Campus are accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>.

- B.Tech Civil Engineering
- B.Tech Mechanical Engineering
- B.Tech Electrical and Electronics Engineering
- B.Tech Electronics and Communication Engineering

The following program of Kattankulathur Campus is accredited by the Computing Accreditation Commission of ABET, <http://www.abet.org>

- B.Tech Information Technology

The following four programs at Kattankulathur campus have been accredited by The Institution of Engineering and Technology (IET).

- B.Tech Automobile Engineering
- B.Tech Computer Science and Engineering
- B.Tech Software Engineering
- B.Tech Electronics and Instrumentation Engineering

### QS Stars Rating

The QS Intelligence Unit has, through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, rated SRMIST as a Four Star Institution with five star ratings in Teaching, Employability and Inclusiveness.

### GLOBAL RANKINGS

#### QS RANKING (UK based)

251-300 among Brazil, Russia, India, China and South Africa (BRICS)

351-400 among Asian countries

#### Times Higher Education (THE) Ranking (UK based)

1001+ World University Rankings

301-350 among Asian countries

## **ABOUT THE INSTITUTE**

Sri Ramasamy Memorial Engineering College (SRMEC) was founded in the academic year 1985–86 at Kattankulathur, Kancheepuram District, Tamil Nadu. This is one of the first of a few engineering colleges started under the self financing scheme of the Tamil Nadu Government to meet the increasing demand for technical education.

SRM Institute of Science and Technology (formerly known as SRM University), which came into existence in the year 2002, is one of the top ranking Universities in India functioning in four campuses located at Kattankulathur, Ramapuram and Ramapuram Campus Part - Vadapalani in Tamil Nadu besides a fourth campus at Modi Nagar, National Capital Region (NCR) Ghaziabad, near Delhi, with over 50000 students and 2895 faculty, offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Engineering, Management, Medicine and Health Sciences, and Science and Humanities. The campuses occupy a total area of 250 acres. The main Kattankulathur campus is located in a sylvan campus skirting the National Highway (NH45), about 15 kilometers from Tambaram, Chennai.

The campuses consist of buildings with a built-up area of about 10 million square feet with various facilities, state-of-the-art laboratories, libraries, Wi-Fi, a knowledge center, 300 online smart classrooms, Hostels for boys and girls with premium facilities. Endless conveniences on the campus include banks with ATMs, Hospital, Post office, bookstores, dining options, cafeterias, gymnasium, indoor game centers, prayer halls, staff quarters, a guest house and other facilities.

Further, the University has a multipurpose Dr. T. P. Ganesan Auditorium having a seating capacity for 3100 persons. In addition, there are two fifteen-storey buildings - the Tech Park and the University Administrative Building which houses the University Library.

SRM added a feather to its already glorious cap in 2011 by hosting the 98<sup>th</sup> edition of The Indian Science Congress where the distinguished delegates including six Nobel Laureates and other celebrated Scientists, Academicians and Philosophers participated and delivered their thoughts. The launching of SRMSAT (satellite) is another milestone which other Universities across the country are yet to reach.

**SRM Institute of Science and Technology** has added another jewel to its crown. It is accredited by NAAC with 'A' Grade in the year 2013 which is currently valid. All Engineering programs are approved by the AICTE (All India Council for Technical Education). QS (Quacquarelli Symonds) has rated SRM Institute of Science and Technology as a 4-star Institute with Five Star ratings in Teaching, Employability and Inclusiveness.

Foreign faculty, flexible and dynamic curriculum, exciting research and global connections are the features that set SRM apart. Every year over 150 students are sponsored to more than 35 foreign universities such as MIT, Carnegie Mellon, UC Davis, Warwick, Western Australia etc. Fifty members from the top Universities across the world including MIT, Stanford, UC Berkeley, Cambridge and NUS help to set global standards. Over 60 top executives from leading corporate institutions constantly interact with the faculty and students to help formulate the academic and research activities, thus enabling SRM to be one among the world class Universities in India.

The Faculty of Engineering and Technology (Engg. & Tech.) which comprises of Engineering and Architecture programs has nearly 36000 students with a faculty strength of over 1980. Four Engineering programs - B.Tech. Civil Engineering, B.Tech. Mechanical Engineering, B.Tech. Electrical and Electronics Engineering and B.Tech. Electronics and Communication Engineering-offered at Kattankulathur campus are accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org> and B.Tech. Information Technology program of Kattankulathur Campus is accredited by the Computing Accreditation Commission of ABET, <http://www.abet.org>. IET (Institution of Engineering Technology), United

Kingdom, has accredited four undergraduate engineering programs at Kattankulathur Campus – Computer Science and Engineering, Software Engineering, Electronics and Instrumentation Engineering and Automobile Engineering.

**SRM Institute of Science and Technology** is run by the Trust SRM Institute of Science and Technology. The motivating force behind it is our dynamic Founder – Chancellor Dr. T. R. Paarivendhar who for nearly the past five decades has been rendering yeoman service to the cause of education in our country.

## **INTERNATIONAL RELATIONS**

The Office of International Relations (OIR) assists international students to adjust to and fully participate in the SRM Institute of Science and Technology campus community. It deals with the following:

- Admissions of NRI and Foreign students to various programs in the faculties of Engineering and Technology, Medicine and Health Sciences, Science and Humanities, and Management
- Recruitment of visiting professors from foreign Universities
- Facilitating the accommodation and other needs of the international students and faculty staying in the campus
- Student exchange and faculty exchange programs
- Building relationships with foreign Universities and Organizations, exploring new areas of cooperation, and facilitating MoUs and collaboration
- Organizing orientation programs and socio-cultural programs for the international community

The OIR also provides orientation to new students prior to the start of the academic year. OIR provides counseling on personal, academic and financial matters, immigration procedures, programs for social and cultural exchange, information about international employment and need-based English classes for the international students. OIR also assists new students through orientation and registration, and the staff are available at all times to assist in case of any problem.

### **Visiting Faculty on Long Tenure**

Visiting faculty from foreign Universities are a boon to the University as they help to:

- promote international education;
- enhance the quality of research;
- and build exposure to different cultures and international trends.

A few faculties from foreign Universities are teaching at SRM IST on long tenure. Many more visit the campus for academic and research purposes on an ongoing

basis. This gives both the students and the faculty greater opportunities for mutual interaction and learning. The visiting faculties currently at SRM are:

- Prof. Mohan Isaac, Australia
- Prof. Mohan Ranganathan, France
- Dr. Joseph Zohar, Israel

## **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, there is a stipulation that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work toward realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC will make a significant and meaningful contribution in the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channelize the efforts and measures of an institution toward academic excellence.

### **Strategies**

IQAC shall evolve mechanisms and procedures for

- ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- maintaining and upgrading the relevance and quality of academic and research programs;
- equitable and affordable access of academic programs to various sections of society;
- optimizing and integrating modern methods of teaching and learning.
- establishing the credibility of evaluation procedures;
- ensuring the adequacy, maintenance and functioning of the support structure and services and
- sharing research and networking with other institutions in India and abroad.

## **Functions**

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of an institution;
- Dissemination of information on various quality parameters of higher education;
- Organization of workshops and seminars on quality related themes and promotion of quality circles;
- Documentation of the various programs/activities leading to quality improvement;
- Acting as a nodal agency of the institution for quality-related activities; and
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.

## **Benefits**

IQAC will facilitate:

- A heightened level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture;
- The enhancement and integration among the various activities of the institution and institutionalize many good practices;
- A sound basis for decision making to improve institutional functioning;
- A positive change in the institution; and
- Better internal communication.

## **Recent contributions by IQAC to the Faculty of Engineering and Technology**

- Accreditation of five engineering programs at Kattankulathur campus by Engineering Accreditation Commission and Computing Accreditation Commission of ABET  
(<https://www.abet.org>)

- Accreditation of four engineering programs at Kattankulathur campus by The Institution of Engineering and Technology (IET)
- Development of regulations and curriculum
- Participation in media conducted surveys
- Preparation of reports for submission to UGC/MHRD/AIU
- Participation in NIRF(MHRD)/QS/Times Higher Education ranking surveys
- Advisory role in enhancing research publications, patents, faculty recruitment
- Preparation of annual MHRD-AISHE report
- Preparation of University annual report
- Submission of Institution of Eminence (IoE) report
- QS-Rating Process resulting in 4 star status for SRM IST
- NAAC III Cycle SSR submission
- Participation in Swachh Bharat Ranking Process
- Advisory role in internal promotion

### **Faculty Members in charge of IQAC**

- Prof. G. Augustine Maniraj Pandian, Dean, (IQAC)
- Mr. A. Arokiaraj Jovith, (Assistant Professor)
- Ms. R. Thenmozhi, (Assistant Professor)
- Mr. R. Neelakandan, (Teaching Associate)

## **UNIVERSITY CENTRAL LIBRARY**

The University Library spreads across the ground plus three floors with a built-up area of 1.5 lakh sq. ft. in the University Administrative Block, constructed in modern and functional lines. It is centrally air-conditioned with CCTV surveillance and automated with Radio Frequency Identification (RFID) Technology.

The University Library collection includes 1,40,366 volumes of books with 61,066 titles on Engineering and Technology, Management, Physical Sciences, Life Sciences, Humanities, and Architecture. The library subscribes to 254 print journals and 16,939 e-journals including IEL Online (Level 1), ACM Digital Library, Springer Link, Science Direct, ASTM, SAE Digital Library, Nature, Pro Quest-ABI Inform, Emerald, SCOPUS, EBSCO (Management, CINAHL and Dentistry Database), SCC Online 16,691 E-books and from publishers like John Wiley, Elsevier, Springer, McGraw Hill and IET Publications to cater to ever-growing needs of students, staff and research scholars. Members can access these resources throughout the campus through Wi-Fi.

The University Library has sections like Stack Area, 200-seater Reading Halls in each floor, A Conference Hall, SC/ST Book Bank Section, Technical Section, Library Office and Seminar Hall. There is a separate library for School of Architecture, School of Law and a separate section for Braille.

The library has facilities like a well-furnished Video Hall containing 700 Video programs, NPTEL Video courses and other e-Learning resources initiated by the Government of India Shodhsindu, Shodhganga and National Digital Library (NDL).

The Library is also a member of the Regional Level Network of Madras Library Network (MALIBNET) and National Level Network of Developing Library Network (DELNET) that enables the staff and students to access all the major participating libraries in India. The library also facilitates Inter-Library Loan (ILL) and Contents Page Service. Also, the library has facilities such as Internet browsing center and Reprography Section. SRM IST is a Life Member of the Institution of Engineers,

Kolkata, British Council Library, Chennai, American Information Services Center, Anna University and Madras University Library to facilitate the members to borrow journals/magazines and video programs that are not available in SRM.

To access and benefit these facilities, members have to follow the rules and regulations listed below. They are intended to regulate the use of library resources, and they are reviewed periodically to meet the requirements.

## **1. MEMBERSHIP**

Membership is open to all the faculty, staff, research scholars and students of SRM Institute of Science and Technology.

## **2. WORKING HOURS**

## CAMPUS FACILITIES

### PLACEMENT AND TRAINING CELL

The Career Center in SRM Institute of Science and Technology plays a vital role in making SRM a favored destination for many national and international organizations to recruit fresh talent nurtured at the University.

The excellent infrastructure of the Career Center facilitates activities like pre-placement talks, written tests, group discussions, and interviews as per the requirements of the recruiting organizations.

Career Center encompasses the Placement Office (PO) and the Career Development Centre (CDC). The Career Centre enables the students to take up in-plant training and project work in major industries. Continuous institute-industry interaction, pre-joining learning initiatives, participating in industrial exhibitions, fairs, seminars to promote useful interaction with the industries and alumni activities are some of the initiatives of Placement Office. Other initiatives include MOUs for Curriculum and Faculty Development with industry giants like TCS, KPIT, Mahindra & Mahindra and Wipro, to name a few.

The Career Development Center has three verticals-Quants, Soft Skills and Verbal, with a team of highly experienced faculty, to prepare students across six semesters and make them industry ready.

International companies like Works Application, Fuji Xerox, NEC, EMRIL, CCC etc. visit SRM IST for campus recruitment offering packages ranging from Rs. 18 Lakhs p.a. to Rs. 35 Lakhs p.a.

2017-18 SRM a record of 519 companies visiting SRM IST to recruit talent, which in itself is a testimony to SRM IST's commitment to excellence.

## **STUDENTS COUNSELING CENTRE**

The SCC is a platform where students, teachers and parents stay connected. It is a centre for effective redressal of challenges & problems faced by students. It is a unique target oriented system that involves parents, teachers, wardens etc. The objective is to help students overcome concerns like anxiety due to exams, loneliness, change in culture, low confidence level, hostel life, decision making dilemmas, academic problems, and lack of self assurance or difficulty in adapting to the new environment.

Counseling gives the students a chance to talk their minds. It enables them to understand the cause of anxiety more rationally and helps them to cope and deal with difficult situations. Senior faculty members from all schools form the core team. Also, an experienced student counselor is available in the campus for this purpose. All the matters discussed during the counseling are kept confidential.

5	Mr. Albert, HOD – BCA	Member
6	Prof. R. Vijayalakshmi, Vice Principal, Nursing	Member
7	Ms. Pangajam Aravindhan, Asst.Professor – Medical	Member (Internal Expert)

The above committee deals with all complaints with regards to sexual harassment. The external expert to be one amongst the members will be nominated in due course.

## **PHYSICAL EDUCATION**

Department of Physical Education was established in the year 1987. The Faculty of Engineering & Technology teams have participated in many of the major tournaments such as Basketball, Cricket, Football, Tennis, Volleyball, Hockey, Athletics, Ball badminton and Indoor games such as Badminton, Table tennis and Chess.

The Directorate of Sports was established in the year 2007. SRM IST has conducted Inter-University tournaments in many of the major games. So far the directorate has organized 19 National Inter University competitions. The University teams have participated in the Inter University tournaments and have brought laurels to the University at the Zonal and All India levels. The University Chess, Basketball, Volleyball, Ball badminton, Cricket, Tennis, Table Tennis, Kabaddi, Football and Hockey Teams have won championships in the All India Inter University competitions.

During 2017-18 the University organized South Zone Inter-University volleyball (Men) tournament and South Zone Inter University Table Tennis (W) Tournament. SRM IST offers admission for the top level achievers in sports under Sports quota. Around 360 students are enjoying free boarding and lodging and tuition fee waiver under Sports quota. Last year eleven of our University teams qualified for the National Inter-University competitions from South Zone in which 3 teams secured 1<sup>st</sup> position, 3 teams secured 2<sup>nd</sup> position and two teams secured 3<sup>rd</sup> position in the National Inter-University competition.

One of our athletes Ms. Esther of II- MBA secured II position in pole vault in the All India Inter-University Athletic Meet which was held at Acharya Nagarjuna University, Guntur.

Four students from SRM IST were selected for world cup 2017 chess tournament which was held at Croatia.

Three Volleyball players from our SRM IST are representing India and participating in the 19<sup>th</sup> Asian for men under 20 years. Volleyball Championship which is to be held in Bahrain between 21<sup>st</sup> and 28<sup>th</sup> July 2018.

The Directorate of Sports conducted a 6-week Certificate Course in Sports Coaching in Athletics, Basketball, Hockey and Volleyball in collaboration with Sports Authority of India. 141 persons completed the course successfully.

### **NATIONAL SERVICE SCHEME (NSS)**

NSS was commissioned in SRM Institute of Science and Technology in 2003. The activities of the NSS mainly focus on Community Development Services, Social Service, Environmental Awareness Programs, Health Awareness Programs and Technology Transfer Programs. The NSS at SRM IST has guidelines to conduct various Regular and Special Camping activities. This ensures uniformity in the organization and conduct of the programs. The NSS volunteers benefit from the NSS activities as they get exposed to the sensitive issues of the downtrodden, need of the hour remedies, team work, time management and health issues. As a result of all this, they develop self-confidence, compassion, commitment, leadership qualities, positive attitude and above all, they turn out to be better individuals to survive in the 21<sup>st</sup> century.

The National Service Scheme (NSS) aims at involving the youth in community service through education. Students give their time, talent, and energy for social work. It trains them to fulfill their social responsibilities as citizens. The experience of coming into close contact with the poorer section of the society molds the volunteers in the best possible way to face reality. A few students opt for such

programs out of personal interest. Awarding one credit for NSS ensures that all students participate and benefit from it, thus drawing every individual to learn to serve mankind with humility.

In order to render service to the community, the NSS volunteer undertakes various activities inside the campus and also outside the campus, particularly in the adopted villages, temples, common places like railway junction, bus stand and slums. These activities are normally conducted during weekends.

The Regular Activities are conducted with the help of the concerned Department Heads and the faculty members interested in social service. A program close to the heart is the adoption of a village or an area as a whole. The volunteers exhibit a greater sense of responsibility when they serve in the adopted villages. These activities are mainly a part of the Community Service and Health Awareness Programs. The Regular and Special Camp activities carried out are listed below:

- i) Environment Enrichment Programs
- ii) Health Awareness Programs
- iii) Educational Programs
- iv) Women Empowerment Programs
- v) Social Service Programs
- vi) Production Oriented Programs
- vii) Relief & Rehabilitation work during Natural calamities
- viii) Creation of Durable Assets
- ix) Donation of computers, appliances and kits to school children
- x) Medical support to school children and village public
- xi) Cleaning of school grounds, temples and planting trees
- xii) Conducting short courses for school children and unemployed youth
- xiii) Organizing blood donation camps periodically in association with many Government Hospital blood banks and Rotary club blood banks
- xiv) Collection of used dresses; washing them and distributing them to the needy people in and around SRM IST campus and in the vicinity of Kanchipuram District in association with NGOs

- xv) Visits to orphanages and old age homes and entertaining them by conducting competitions in their premises, rewarding them with attractive and useful prizes and taking them to different intellectual places like, libraries, museums and offering them food for the whole day during weekends

The NSS student volunteers celebrate Independence Day, NSS Day and Republic Day every year in the campus by bringing government school students to SRM campus and organizing interesting events on social interest, cleanliness, discipline and environmental awareness. One of our 2<sup>nd</sup> year students participated in the Republic Day parade in New Delhi in 2013 and a first year student won prize in marathon organized near Marina in 2016.

### **NATIONAL CADET CORPS (NCC)**

The objective of National Cadet Corps is to develop character, comradeship, and capacity for leadership among the youth in India. The NCC at SRM motivates the students with the best training and the ideals of selfless service. The training inculcates team spirit and a sense of nationalism and it also helps in developing the overall personality of an individual. The SRM NCC (Senior Division-SD) under 1 (Tamilnadu) Signal Company NCC [1 (TN) SIG COY NCC] was started in August 1996. The first and the second year students are enrolled for a duration of three years. We also enroll girls in the NCC since 2005, and the total allotted strength including girls is 83. The Obstacle Area was established in the year 2009 to train the cadets. NCC parades are regularly conducted in Dr. T. P. Ganesan Auditorium Ground every Saturday from 7.00 to 11.00 a.m. as per the Parade Schedule. Pre-parade meeting is also conducted in front of the NCC Office every Friday from 4.30 to 5.30 p.m.

The NCC cadets actively participate in the Independence Day and Republic Day celebrations in the campus. Annual Training Camp, Republic Day Camp (RDC-New Delhi), Inter Group Competitions (IGC), National Integration Camp (NIC) and special camps such as Trekking Camp, Firing Camp are held periodically. The NCC cadets also get the opportunity to visit various countries like Singapore, Srilanka, Bangladesh, Maldives and Taiwan through Youth Exchange Program (YEP) to

represent our country. SRM NCC cadets also organize social service events like Anti-Drug Rally, Blood Donation Camp, Anti-Plastic Rally. They visit orphanages and old age homes and tap public consciousness regarding Consumer Awareness, Cancer & AIDS awareness, etc. The Cadets are encouraged to complete "B" and "C" certificate examinations and to join Defence Services like Army, Navy and Airforce.

## **ALUMNI ASSOCIATION**

The Directorate of Alumni Affairs was established in September 2016 to look after the alumni needs for the entire University. It was earlier functioning as the Alumni Office since 2007. The major objectives of the Directorate are to enhance the coordination between SRM IST and its alumni, to improve the interaction of alumni with the students and the faculty members, to establish alumni chapters in India and abroad, to maintain the database of alumni and to look after the interests of SRM alumni.

A new event, Alumni Day, was started from 2017 and this will continue to be an annual event where alumni from all faculties and years will be invited. Notable commendation awards were presented on Alumni Day 2017 to four alumni. This will also be a regular feature. Regular meetings of the Chennai chapter have been initiated and will be replicated for other chapters.

The alumni office holds two internship fairs and two alumni achievers meet every year. These events have been quite successful and draw crowds from the student community.

One of the major activities of the office is to invite the alumni to visit the campus and host them during their visit. Alumni are also invited to meet the students, interact with them and guide them on their careers. Another initiative of the office is to conduct the department alumni meets and reunions of groups of alumni at the campus.

Other activities of the office include increasing the involvement of the alumni through their contributions such as sponsored labs, joint research collaborations, donation of books to the library and offering of internships. Alumni coordinators (faculty) and student coordinators are present in all departments to increase the collaboration with alumni.

Five alumni chapters at Singapore, US East Coast (New Jersey), US West Coast (California), Dubai and Chennai act as fully independent units, and the Alumni Office facilitates their smooth running.

The online alumni portal is available for discussions, job links, search facilities for alumni to contact their friends, and albums are some of the provisions available for the registered alumni.

*Reflections*, the alumni newsletter, is published bimonthly.

## **STUDENT AFFAIRS**

SRM Institute of Science and Technology is the first of its kind to have a full fledged student affairs department to help students develop their personalities, resolve conflicts, develop leadership skills through various initiatives. In cooperation with the faculty and administrators, the department provides specific educational services and programs that facilitate the achievement of students' educational, personal and career goals. Services like counseling and various other programs provide growth enhancing environment.

Graduation is a major transformation period in one's life. Several changes happen in the student's attitude and personality. The student engagement activities aim at developing his/her intellectual, social, emotional and spiritual cores. Students become more self-responsible through interactions and initiatives, and thus become aware of their own strengths and weaknesses. The various clubs, committees and celebrations provide opportunities to showcase their unique talents, teamwork, leadership qualities and thus they develop their managerial skills. This maturity helps them to be better individuals in terms of thinking and feeling, and they become confident individuals with high self esteem.

The Directorate of Student Affairs help the students in conducting various events.  
The major extravaganzas are:

Aaruush	:	National Level Intercollegiate Techno Management Fest & Competition
Milan	:	National Level Intercollegiate Cultural Fest & Competition

### **AARUUSH**

Aaruush is the annual National Level Techno-Management fest of SRM Institute of Science and Technology, Kattankulathur. One of the largest in the nation, it creates an area for the best brains in the country and the world to converge, compete and put to test their technical and management concepts. Aaruush boasts of a plethora of events and guest lectures, with an infusion of cultural exhibitions, workshops,

panel discussions, video conferencing, Unconference and the breath-taking Pro shows.

### ***Highlights***

Aaruush excels in the platform of entertainment. On all the 4 exhilarating nights of Aaruush, the atmosphere is filled with anticipation and excitement. Aaruush, over the years, has attracted luminaries such as Dr. V. K. Saraswath, Dr. Eswar Natarajan, Mr. Sam Pitroda, Dr. Tessy Thomas, Hon'ble Retd General Dr. V. K. Singh, Mr. Anand Kumar, Ms. Shardha Sharma, Mr. Shravan and Mr. Sanjay Kumaran, Mr. Harsh Songra, Ms. Mira Erda and Mr. Jairam Pillai to address the gathering with their enlightening guest lectures. Aaruush has seen artists such as Kanan Gill, Zakir Khan, Nitin Gupta, Dilip Chhabria and Rajat Kapoor and bands such as Agnee and Eka enthrall the audience. The specially conducted Pro shows have also had guests such as Sunil Gogoi, Garip Ay, Vilas Nayak and J. Walt to wow the people with their talent.

### ***Championships and Workshops***

Competition is a vital part of any fest, and it is no different with Aaruush. ‘Championships’ brings to the students a platform to test their skills, compete against one another, and emerge victorious. It involves several events and activities in highly competitive fields such as Coding, Sports, and Robotics. Workshops is a medium to engage students with the real world and connect them with the current and trending topics of the industry. The aim of workshops is to provide opportunities to the participants to interact with professionals.

### ***Aaruush Educates***

Aaruush, along with an array of technical events, has a social essence to the fest. Supplementing the fest with a tinge of social responsibility, Aaruush organises an interactive event with the underprivileged children and introduces them with basic concepts of science, maths and other basic facts.

### ***Swastika***

Swastika, literally translating to ‘a good start’, is an Inter School Quiz Competition where students from all over the country participate to get an insight into how an actual quiz is organized and conducted in a college.

### ***SRM Eco RUN***

The SRM Eco Run is one of its kind and has an ecological cause where students run for the simple cause of keeping the surroundings neat and clean, as SRMIST believes ‘cleanliness is next to godliness’. The SRM Eco run was initiated 2015 and has seen exponential participation in the following years.

### ***Paperbag Campaign***

The Paperbag Campaign is a pre-Aaruush initiative that is conducted in association with Paperman aiming to eradicate the use plastic bags and promote the use of more eco-friendly and safer paper bags for carrying things.

### ***T Summit***

The Technical summit (T-Summit) intends to contribute to the society by developing innovative ideas. Innovation is a long process that proposes an irrefutable outcome of development. T-Summit is the gathering of the intellectual cream of the nation for the sessions of unparalleled brain-storming and exchange of ideas. It provides a common platform for fruitful interaction among the colleges of India – to come together and deliberate on issues pertaining to progress and development of the nation as a whole.

### ***Wednesday Speaks***

Wednesday Speaks is a unique lecture series where the faculty members and distinguished professors from SRM IST and other colleges speak to the students on a topic provided in advance. This series not only opens up a pathway for students of other departments to attend lectures from faculty members of other branches, but also improves the level of technicality of the fest in advance.

### ***Liter of Light***

Liter of Light is a campaign that brings about change by giving something back to the society. In search for the right answer, the Aaruush team install hassle free day-lights in the houses and huts in areas close to the campus.

### ***Envision***

Team Envision is a Multidisciplinary technical team of Aaruush that aims to provide solutions to most campus and societal issues and problems. The Team comprises of well-trained individuals in various fields of engineering technology. The team attends competitions and carry out various activities. It also conducts workshops for school and college students in and around Chennai and hopes to expand its wings in the future.

### ***Industrial Conclave & Unconference***

Industrial Conclave provides an opportunity to the budding industrialists to interact with leading personalities, from institutes and companies. The ever-popular Unconference gives participants an exposure to marketing and business techniques.

## **MILAN**

There is a need in every college, where the students can come together, amalgamate their efforts and channelize every inch of innate talent to form an event, which would be the very definition of student culture. ‘Milan’ is one such most awaited National Level Cultural Festival, which brings together enthusiastic students from various colleges to produce a lifelong memorable event.

Milan spots a surfeit of celebrities, main folding the gaiety of the festival and leaves everyone yearning for the next episode of Milan. The events in Milan are a mix of music, dance, drama, literature, art, film making, computer gaming and a variety of other events which aim at bringing out the best in every team and individual. Besides this, several other literary, sports and cultural competitions are held with great enthusiasm.

There are 15 plus Clubs led by students conducting a number of activities every month. The students can choose to be in any number of clubs. The various clubs are: Dance, Literary (English, Tamil & Hindi), E-Cell, Social, Environment, Festival, Sports, Music, Movies and Dramatics, Aeromodelling, Self–Defense, Fashion, Creative Arts, Gaming, etc.

These clubs help in enhancing students, skill set and provides innumerable opportunities to represent the institution in external competitions (National and International level).

A team of Student Conveners along with Club Heads and House Captains work together and make things happen throughout the academic year. For more information refer to the website <http://soc.srmuniv.ac.in/SOC>.

The students are divided into eight houses and several art competitions are held amongst them throughout the year. The eight houses are: AAKASH, AGNI, PRITHVI, TRISHUL, ASTRA, BRAHMOS, SHOURYA & NAAG.

Following are the annual events that are conducted:

1. Shuru – Fresher's talent exhibition
2. Jhalak – Inter House Cultural Competition – ODD Semester
3. Tarana – Inter House Cultural Competition – EVEN Semester
4. Khel – Inter House Sports Competition
5. Butterflies – School Children Competition (Govt. Schools)
6. Milan – National level Cultural and Sports Festival
7. Gratitude day – Thanksgiving Day

Apart from the annual events, an array of workshops is organized that enhances the students' ability to assimilate and expand proficiency in their field of interest and choice. They are also given the liberty to explore the available resources and emerge as a successful leader by the end of their course.

## **PROFESSIONAL TEAMS AND ASSOCIATIONS**

### **SRM INNOVATION AND INCUBATION CENTRE (SIIC)**

SIIC is an organization with a mission to promote the right practices in Engineering. The organization's vision is to provide a common platform to create a knowledge sharing hub. After being reborn again, the organization aims to solve problems like resourcing inventory and providing professional training to enhance one's dream projects. Some of the main features of the organization are:

- 1) Bank of Inventory
- 2) Fabrication Laboratory (FabLab)
- 3) Professional Training Program
- 4) Plan 10

SIIC comprises of 11 technical teams, namely **ASV, AURA LAB, AUV, ETROS, HUMANOID, ROBOCON, RUDRA, SCRO, UAV, VAIMAANIX and WELKINSAT**. Each team is a reputed group of ever evolving student body in their chosen fields. SIIC's recruitment serves as a gateway for all to achieve their glory. The organization brings them the opportunity to pursue their ideas and enhance their abilities. The interested can sign up for the common recruitment at [www.srmiiic.com](http://www.srmiiic.com).

### **ELECTRONICS CLUB**

Electronics club is the student-run organization that strives to impart enthusiasm and passion for electronics and allied fields among students of ECE. The club aims to cater to the various primary needs that are to be addressed to keep in pace with the ever evolving field of electronics. The club aims to uncover those key topics that are not part of the curriculum. The electronics club deals with the simplest topics to the most complex ones. This club helps the students not only in their studies but also in their career. "COMET" an E-magazine is brought out by this club. TEDxSRM Kattankulathur Conference and Arduino Day are hosted by the Electronics club. For more details visit

<http://www.srmuniv.ac.in/content/electronics-club>.

## **THE CAMBER RACING TEAM**

Camber Racing is the official Formula Student Combustion team of SRM IST. It comprises of 40 undergraduate students from a broad range of engineering disciplines, who apply their collective intelligence to engineer an open wheel race vehicle. The team participates in various national and international design competitions organized by the Society of Automotive Engineers (SAE), namely Formula Bharat and Formula Student Germany. From the conception in 2009, the team has been passionate about learning and creating the ultimate racing machine. Their achievements and prototypes created over the past 7 years can be viewed in the following link: <http://www.srmuniv.ac.in/camberracing/index.htm>.

## **THE CONRODS**

The Conrods is a team of 25 dedicated and passionate engineering students from SRM IST, Kattankulathur. It is the place of future leaders who have already marked their position in motorsports. The team in association with the Society of Automotive Engineers (SAE), India chapter promotes engineering excellence. The Conrods was established 2008. The team participates in BAJA SAE events. BAJA SAE events provide an environment of healthy competition with a chance to expand the knowledge base and technical skills, while having fun all along the way. Here, students are encouraged to use the knowledge gained in the classroom to come up with creative and innovative designs. Hands on knowledge gained from this gives the students a competitive edge when entering into the industry. Visit [www.theconrods.in](http://www.theconrods.in) for required information.

## **4ZE RACING**

The word ‘4ZE’ stands for “FOR ZERO EMISSION”. 4ZE Racing is the official student formula electric racing team of SRM IST. It is a team of 60 highly dedicated and passionate undergraduate students whose main passion lies in engineering and achieving new possibilities. The team work toward energy efficiency and aim to develop a sustainable environment. The team is completely managed by students, and its three domains Mechanical, Electrical and Corporate work hard together to get it rolling on the ground and make it to the level where it can compete with the cars worldwide.

The spark was ignited in 2012 when a group of students decided to build a car the knowledge they gained from college and give the world a non-polluting vehicle. The team participates in international events such as FSAE held across the globe and compete with world class teams.

### **INFIEON SUPERMILEAGE**

Infieon Supermileage constituted in 2012, is the official team of SRM IST participating in the Shell Eco-Marathon. The team comprises of students from different engineering domains who have come together to build highly fuel efficient vehicles. The team also plans to spread the message of 'Fuel and Energy Conservation' through its various campaigns around the country. The team believes in continuous learning, the motto being "Journey is the Destination!"

The official Supermileage the Team has of SRM IST, Chennai design, fabricate and test ultra-fuel efficient prototype vehicles for participating in Shell Eco-marathon Asia.

### **ENIGMATIC PLODDER**

Enigmatic Plodder is the Official Quad Bike team of SRM Institute of Science and Technology, Kattankulathur, Chennai. Enigmatic Plodder, formed in 2014, is the result of zeal and determination of engineering students who wanted to create a difference. The student run, non-profit team specializes in the development, design and fabrication of All-Terrain Vehicles also known as Quad Bikes, and takes part in national competitions, namely Quad Bike, Design Challenge and Quad Torc. The team ensures its evolution by designing each of its vehicle with changes and significant improvements over its predecessor.

### **TEAM FULL THROTTLE**

The team was established in 2013 through the arduous efforts of enthusiasts, who wanted to understand more in practical terms how an automobile functions in the real world. In the process of achieving the target of making a small vehicle, the team also wants to create a proactive work environment for encouraging young enthusiasts and providing them with an ideal platform for exhibiting their skills. The

team wants to focus on something simple and effective and has common populace as a wider audience group in the scenario of motorsports. Hence the Go-Kart championships are chosen as core sector.

The team gears up for the event conducted by SAE Collegiate Club of Lovely Professional University under the title of IGC (International Go-Kart Championship). This is the second largest event for Go-Karts next to NGKC (Currently renamed GKDC - Go-Kart Design Championship).

### **THE CAMBER RACING TEAM**

The Canoe was cast on July 12, 2015 The team participates in national concrete canoe competition in association with the Indian Concrete Institute held at IIT Madras. IIT Madras conceptualized the competition.

The competition is a unique opportunity for the students of Civil, Architecture and Ocean engineering.

Visit [http://www.srmuniv.ac.in/content/srm-students-won\\_india%e2%80%99s-first-national-concrete-canoe-championship](http://www.srmuniv.ac.in/content/srm-students-won-india%e2%80%99s-first-national-concrete-canoe-championship) for required information.

### **IET-IOT CLUB**

#### **The objectives of the club are**

- To create a series of activities which will lead to the acquisition of IoT skill set for the students of our University
- To build a capable and talented start-up community and entrepreneurial ecosystem for IoT
- To provide an ecosystem for innovation to thrive and embrace entrepreneurship
- To energize research mindset and reduce costs in Research and Development by providing neutral and inter-operable, multi-technology stack laboratory facilities
- To reduce import dependency on IoT components and promote indigenization
- To provide environment for product Creation, Testing and algorithms for Validation and Incubation

- To create innovative applications and domain capability across verticals for the country's needs such as Smart City, Smart Health, Smart Manufacturing, Smart Agriculture, etc.

### **THE TEAM ROBOCON**

The team was formed by a group of students who received funding from the DRDO in 2012. SRM Team Robocon is a multidisciplinary team involved in competitive robotics. The team comprises engineers from various branches including Mechanical, Mechatronics, EEE, ECE, CSE and Aerospace. The team members are specialized in various aspects of robotics engineering including Mechanical fabrication, designing and analysis, electronics and circuit designing, algorithm development and coding. The team participates in competitions such as ABV Robocon which involves making a robot from scratch which fulfils the problem statement given by the host country every year. As the problem statement is new every year, the contestants are kept on toes.

### **SRM TEAM HUMANOID**

The team was formed in 2013 with 12 members. It partakes in international competitions and plans to continue its research in the fields of Artificial Intelligence, Humanoid Manipulation, Human Robot Interaction and Machine Learning. The team aims to put India as the forerunner in Robotics Research and to win more accolades for the Nation and the University.

### **TEAM SRM UAV**

Established in 2013, SRM UAV is a team of highly enthusiastic undergraduates that aim at creating efficient solutions to real military and civilian problems which can be solved using Unmanned Aerial Systems. The student members work to achieve their goals and participate in several competitions and expos and bring laurels to the institution. Being a part of this team also opens the door for the publication of quality research papers in reputed journals.

## **STUDENT COPTER RESEARCH ORGANISATION (SRM-SCRO)**

SRM Student Copter Research Organization is a zealous and vivacious organization developing Copters and their useful outreach under the auspices of SRM Institute of Science and Technology, Chennai. It was established in August 2013 by two enthusiastic and dynamic students of SRM Institute of Science and Technology. With copters at its primary focus, the team now is a highly multidisciplinary team and consists of students from various domain such as Design and Fabrication, Corporate and Electronics. With the zest to Inspire, Initiate and Innovate this team brings many laurels to the university by participating in multiple national and international events. Some prominent events and projects include Aero 360 a national level aero modelling competition, the Singapore Space Challenge '13, AAWMD – Autonomous Ambient Weather Monitoring Drone wherein the team has to create an innovative weather monitoring system, and the International Micro Aerial vehicle 2014. The team hosts the national level aero fest 'Udaan' with events such as Drone races, workshops for 3D printing and crashed aircraft safety drill.

## **SRM EXPLOROVER**

Team Srm Explorover is a multidisciplinary team of SRM Institute of Science and Technology. The design team aims to develop a rover which is capable of traversing the surfaces of extra terrestrial terrain of other planets for the competition 1trs.11 ed by NASA, Marshall Space and Flight Center, Huntsville, Alabama, USA.

## **TEAM 1.618**

TEAM 1.618, the Official Hybrid Vehicle Racing Team of SRM Institute of Science and Technology participates in competitions such as the Hybrid Vehicle Challenge-2018 (HVC).

Hybrid Vehicle Challenge is Asia's largest Hybrid Vehicle Racing Competition organized by the Imperial Society of Innovative Engineers for the budding engineers to use all of the classroom knowledge alongside their creative and innovative ideas into designing and fabricating a formula type race car according to the international standards.

## **PROFESSIONAL ASSOCIATIONS**

The following associations function in the Faculty of Engineering and Technology:

- Automobile Engineering Association (AEA)
- Society of Automotive Engineers (SAE)
- Indian Institute of Architects (IIA)
- Council of Architecture (CoA)
- Indian Institute of Interior Designers (IIID)
- Biotechnology Association
- SRM Society of Civil Engineers
- PG Association (SRM – CGPA)
- Computer Science and Engineering Association
- The Institution of Engineering Technology (IET, UK)
- Electronics & Communication Engineering Association
- Optical Society of India (OSI)
- Telecommunication Engineering Association
- Electrical and Electronics Engineering Association
- Electronics & Instrumentation Engineering Association
- Society of Photo-Optical Instrumentation Engineers (SPIE)
- Food Process Engineering Association
- Genetic Engineering Association
- Computer Society of India (CSI)
- Instrumentation & Control Engineering Association
- Instrumentation Society of Automation (ISA)
- Instrument Society of India (ISOI)
- Mechanical Engineering Association (MEA)
- Indian Science Congress Association – Chennai Chapter
- Telecommunication Engineering Students Learning Association (TESLA)

## **STUDENT CHAPTERS**

- Architecture Association
- ISTE – The Indian Society for Technical Education
- Food Process Engineering Association
- ICI – Indian Concrete Institute
- IICHE – Indian Institute of Chemical Engineers
- SRM-IET – Institution of Engineering & Technology

- IETE – Institution of Electronics & Telecommunication Engineers
- IEI (Student Chapter)
- Sri Ramanujan Mathematics Club
- IEEE – Institute of Electrical and Electronics Engineers
- EIEA – Electronics and Instrumentation Engineering Association
- SPIE – The International Society for Optics and Photonics
- CSI – Computer Society of India
- ISACA – Information Systems Audit & Control Association
- SRM – ACM – Association for Computing Machinery
- ISA – The International Society of Automation
- ICEA – Instrumentation & Control Engineering Association
- ASME SRM – The American Society of Mechanical Engineers
- ISHRAE – The Indian Society of Heating, Refrigerating and Air Conditioning Engineers
- QUANTA
- QCFI – Quality Circle Forum of India
- Energy, Photography, Robotics Club
- SWEA – Software Engineering Association
- MTS – Marine Technology Society

### **ASSOCIATIONS WITH INTERNATIONAL COLLABORATIONS**

- Computer Society of India (CSI)
- ISACA – Student Chapter
- SRM – ACM Women's Chapter
- LabVIEW Club
- MEMS Club
- SAE International Collegiate Club
- Research Institute of Electronics, Shizuoka University, JAPAN
- Geo Nuclear Science (GNS) – NEW ZEALAND
- Asian Nanoscience and Nanotechnology Association (ANNA) – JAPAN
- Indira Gandhi Center for Atomic Research (IGCAR), Kalpakkam
- IEEE Advanced Networks & Telecommunication Systems Conference
- ASCE – American Society of Civil Engineers
- SRM-OSA – Optical Society of America (Student Chapter)

These bodies organize academic lectures, seminars, (regional & national) exhibitions and related activities from time to time for the benefit of students.

## SCHOLARSHIPS AND AWARDS

SRM Institute of Science and Technology (formerly known as SRM University) offers several scholarships, fee waiver schemes, teaching and research assistance to meritorious and deserving students. A large number of students benefit from such schemes. In 2016–17 nearly 2083 students benefitted from various schemes with a total of Rs. 25.09 crores distributed as scholarship and in 2017–18 nearly 2646 students benefitted from various schemes with a total of Rs. 28.88 crores distributed as scholarship.

To encourage and support students of exemplary talent, several scholarships are instituted to recognize excellence in academics and sports. The quantum of scholarship and the number of scholarships are subject to change from time to time.

S. No	Scholarship Name	Eligibility for scholarship	Percent of Scholarship		
			Tuition	Hostel	Mess
1	SRM Founder's scholarship	Top 100 in SRMJEEE merit list CBSE and State Board District Toppers in each district of India Exemplary sports persons at National / International Level	100%	100%	100%
2	SRM Merit Scholarship	SRMJEEE rank 101 to 500 SRMJEEE rank 501 to 1000 SRMJEEE rank 1001 to 2000 SRMJEEE rank 2001 to 3000	100% 75% 50% 25%	-	-
3	Socio-Economic Scholarship	As determined by scholarship committee	25% to 100%	-	-
4	Differently-abled Scholarship	As determined by scholarship committee	25% to 100%	-	-

5	SRM Arts and Culture scholarship	Possessing exemplary skills in literary and fine arts as assessed by the scholarship committee	25% to 100%	-	-
---	----------------------------------	--	-------------	---	---

### **Renewal**

All the above scholarships are renewed every year subject to meeting set performance norms.

### **Selection Procedure**

Applications in the prescribed form for the award of scholarship - both fresh and renewal - will be received in August/September every year. Processing will be done by the scholarship office and selection of awardees will be done by a committee consisting of SRM Institute of Science and Technology (formerly known as SRM University) officials and invited academicians from other Universities.

### **Norms for renewal of scholarship**

#### **S.No. 1 and 2 of above table (Except Sports):**

Scholarship can be renewed based on the performance in the University examination, attendance and character and conduct certified by the Head of the Department.

Performance: 9.0 CGPA with no arrear (backlog) in every year

Attendance: 75% in each semester

#### **For S. No: 3, 4, 5:**

Renewal is based on the performance in the University examination, attendance and character and conduct certified by the Head of the Department.

Performance: 7.0 CGPA with no arrears (backlog)

Attendance: 75% in each semester

### **SCHOLARSHIP PROGRAM: INTERNATIONAL STUDENTS**

A sum of US\$ 200,000 is earmarked for 100 academic, merit and economic scholarships to high performers among International students joining

undergraduate and postgraduate programs. The exceptions are MBBS, BDS, BASLP, B. Pharm, Pharm D & Ph.D. Courses.

In all matters relating to Scholarship, the decision of the SRM IST Scholarship Committee would be final and binding. Candidates are eligible for either Merit or Economic scholarship and not both.

**Merit Scholarship** (applicable only for UG Programs): The Scholarships are based on merit and range between 25 – 35 % of the first year tuition fee, beginning in the first year, on joining the University as a full-time degree-seeking student. As per the scholarship norms (refer the scholarship application form for details), 35% tuition fee waiver is awarded for the candidate with a score of 90% and above in the relevant subjects, and 25% for the candidate with a score of 80% and above in the relevant subjects.

In subsequent years, renewal of scholarship is subject to consistent high performance as per the norms set by the University from time to time.

If the Eligibility Committee seeks grade equivalence, in such cases the responsibility lies with the candidate to submit the grade equivalence signed by the authorized signatory from the concerned school. Based on the same, scholarship will be approved.

**Economic Scholarship** (applicable for both UG & PG Programs) Economic Scholarships of 35% fee waiver on the annual tuition fee is awarded for students from Africa\*, Iraq, Iran, Myanmar, Brunei, Cambodia, Fiji, Indonesia, Vietnam, PNG, Malaysia & SAARC\*\* countries.

## Countries

African Countries\* – Algeria, Angola, Benin, Burkina Faso, Central African Republic, Cape Verde, Cote d'Ivoire, Comoros, Chad, Djibouti, Libya, Liberia, Nigeria, Ghana, Kenya, Tanzania, Rwanda, Uganda, Malawi, South Sudan, Africa, Egypt, Burundi,

Somalia, Guinea, Cameroon, Zambia, Gambia, Mauritius, South Africa, Zimbabwe, Seychelles, Reunion, Mali, Niger, Congo, Mozambique, Namibia & Senegal.

SAARC Countries\*\*- Nepal, Bhutan, Sri Lanka, Bangladesh, Afghanistan & Maldives

### **Sports Scholarship**

International and National level sports persons are exempted from Tuition fee, Hostel accommodation and Mess fee.

Sports Scholarship is also given to those categories of students who excel in sports.

Category I	International/ National Level	100% Fee Concession [Free Hostel, Food and Transport]
Category II	State/University Level	100% Fee Concession [Hostel (or) Transport Free]

### **Sports Performance during the Programme**

Non-Sports Students are also awarded tuition fee waiver based on their performance in sports.

### **Scholarship Awarded to Students Admitted Under Sports Quota in the University**

Total scholarship amount given by the University per year for all sports quota students in an academic year is approximately, Rs. 4 Crores.

<b>Year of Scholarship</b>	<b>No. of students</b>	<b>Scholarship</b>
2017 – 18	128	2,27,00,000
2016 – 17	120	2,15,00,000
2015 – 16	120	2,10,00,000
2014 – 15	110	1,81,00,000
2013 – 14	90	1,30,00,000

### **Employee Ward Scholarship**

This scholarship provides fee waiver for the wards of the employees of SRM Group of Institutions. Considering their children's welfare, fee waiver ranging from 25% to 100% is offered to the children of serving employees.

### **SEMESTER ABROAD PROGRAMME (SAP) SCHOLARSHIP**

Scholarship is awarded to bright students (for Semester Abroad Programme) who take up studies in top universities across the world such as: MIT, Carnegie Mellon, University of Wisconsin, Western Australia and others. Tuition fee waiver and hostel fee waiver are given to all students who are going abroad through SAP during the period of stay in the foreign institution.

### **ENDOWMENT AWARD FOR THE YOUNGEST ENTREPRENEUR**

An endowment award has been instituted by Mr. Pushparaj in the name of Sri. Paravasthu Ramanujam Sundaram for the youngest entrepreneur of SRM Institute of Science and Technology during his/her course of study at the University.

### **MEDALS AND PRIZES**

Gold medals and Prizes are awarded to the University rank holders as well as the rank holders in various classes. Financial assistantship is granted to students who participate and win awards in prestigious technical competitions held at National and International levels. Prizes are awarded to the best technical and general articles published in magazines and also to the winning teams of quiz programs conducted in the Faculty of Engineering and Technology.

## **RULES AND REGULATIONS**

The students must be aware of the Vision and Mission of the University. They should be familiar with their Departmental goals. Students should take all efforts to enable their Department to achieve these goals.

The students shall be thoroughly familiar with the regulations which are available at the University website [www.srmuniv.ac.in](http://www.srmuniv.ac.in). The curriculum and syllabus of various programs are also accessible at the website.

Some important aspects of the rules and regulations based on the present University Regulations are reproduced here for strict compliance. These are subject to changes effected by the Institution from time to time.

### **1. Punctuality and Attendance Rules**

- Attendance is the physical presence of the student in the class/laboratory/field work. It is a well-observed fact that the students who score good grades are those who attend the class/laboratory/field work, regularly. Therefore, the students must strive to attend all the classes without fail. Every faculty member handling a course will take attendance till the last instruction day in the semester.
- A student must maintain an attendance record of at least 75% in individual courses, **exclusive** of the leave of absence **due to medical reasons**, on-duty, extracurricular/extramural activities, permitted assignments such as job interviews, unforeseen emergencies etc. Without the minimum attendance of 75%, in any course, students become ineligible to appear for the end semester examination in that course. His/Her registration for that course will be treated as cancelled and the student should register for and repeat the entire course when it is offered next.
- A student must strive to attend all the classes without fail. However, the minimum attendance requirement of 75% allows a student the facility to use the balance 25% to account for illnesses, permitted assignments such as

job interviews, inter-university sports meets, inter-collegiate/inter-university competitions, accidents, unforeseen emergencies etc. An attendance of 75% in a course is considered to be the minimum required for a student to get just enough input on the course syllabus through class room contact hours to make him/her eligible to appear in the end semester examination for that course. It is the responsibility of each and every student to keep track/monitor his/her percentage of attendance for each course and ensure that he/she satisfies the attendance norms prescribed by the university. If the student finds any discrepancy/error in the attendance status, he/she should immediately bring it to the attention of the concerned faculty member and seek redressal.

- **Condonation of Attendance:** In rare and genuine cases, a committee consisting of the Director and Head of the Department of the concerned department will examine the case, based on the documents submitted by the student, facts and circumstances. The documents may include medical certificate, permission sought by the parents and students just before or just after the commencement of medical treatment, fitness certificate, evidence of being treated as in-patient and/or recommendation for convalescence etc. as applicable to particular situations. The assessment will be done by the committee on the merit of the case, and their recommendation will be communicated to the Vice Chancellor. The Vice Chancellor, based on the recommendation of the committee may then give condonation for the inadequate attendance. But in any case the condonation cannot exceed 10%.  
**It is to be noted that condonation of attendance shortage is not a right to be claimed by the student but to be considered only in the rarest of rare cases.** Once the medical leave is rejected by the committee, the period for which condonation is claimed will be treated only as 'absent'. Only those cycle tests, quizzes, surprise tests or any other forms of internal assessment conducted during the approved condonation period will be re-administered.  
**No condonation will be considered for end semester examinations.**

- It is compulsory that a leave letter in an approved format should be submitted for Medical reasons. Medical leave letters should be signed/counter signed by parents/guardians/Hostel Warden. Medical leave letters should be accompanied by medical certificates for availing leave. Prior permission must be obtained for availing leave in other than emergency cases. A fitness and medical certificate should be submitted while rejoining the classes.
- It is important that all students are present on the enrollment day as well as on the last working day. Absence will be permitted only for unavoidable reasons with prior permission. Suitable fine will be levied for absence on the course enrollment day and the last working day of the semester.
- Students should be punctual to the class and should equip themselves with calculators, approved drawing materials, instrument boxes, record note books and standard notebooks as and when necessary. Since the faculty will be taking the attendance at the commencement of the class, even one or two minutes of late entry will lead to the student being marked absent for the class which may ultimately lead to his/her attendance falling below 75% at the end of the semester.

## **2. Ragging**

Ragging in any form is strictly forbidden, and severe action will be taken against those who indulge in such activities as per the Tamil Nadu Prohibition of Ragging Act No.7 of 1997.

## **3. Discipline**

- Every student is required to maintain discipline and decorum both inside and outside the University campus and should not indulge in any activity that will tarnish the reputation of the University.
- Any act of indiscipline by a student first will be scrutinized/considered by the Discipline and Welfare Committee of the Department/School for necessary action. If the issue demands more serious consideration, the act of indiscipline will be reported to the Director (Engg. & Tech.), and he will

refer it to the Discipline and Welfare Committee of the University, constituted by the Vice Chancellor.

- The Committee will enquire into the charges and recommend suitable action if the charges are substantiated. The Director (Engg. & Tech.) will take appropriate action based on the recommendation of the Discipline and Welfare Committee.
- Director (Engg. & Tech.) may suspend a student pending inquiry depending upon the *prima facie* evidence.
- Appeal: The student may appeal to the Vice Chancellor whose decision will be final and binding.

#### **4. Dress Code**

Students are required to wear their identity cards (in an easily noticeable way) when they are in the Faculty of Engineering and Technology campus and also when they travel using the Faculty of Engineering and Technology transport. Not wearing the identity card will be considered as an act of indiscipline.

#### **Laboratory Dress code**

No loose garments are permitted in the workshop/laboratories. Gentlemen and Lady Students have to wear leather shoes in the workshops. In the workshops, the uniform for a Lady Student is grey overcoat and for a Gentleman student it is grey trousers and grey shirts. In Physics and Chemistry laboratories all the students have to wear white overcoats.

On play fields, the standard attire is shorts and vests or jerseys. Footwear used on the field should be securely strapped at the heel.

**In case of violation of the dress code, the student concerned will be asked to leave the academic session.**

Visiting students are also expected to observe the dress code. All students will wear presentable dress which is neat, clean and ironed.

Students are strictly instructed to adhere to the following dress code while attending the college for Lectures/Practicals/Library/Laboratories and formal functions of the Departments/Institution.

<b>Boys</b>	<b>Girls</b>
Trousers and Collared Shirts / T-Shirts	Formal Wear: Chudidhar, Salwarkameez, Sari, Trousers and Collared Shirts or T-Shirts
Shoes and socks	Formal Footwear
Neatly trimmed hair	Hair beyond shoulder length to be tied up

<b>Prohibited for Boys</b>	<b>Prohibited for Girls</b>
Tight fitting jeans, low waist trousers, trousers with too many (multiple) pockets, shorts and folded pants	Tight fitting jeans and leggings, low waist trousers, skirts/shorts and Folded pants
Short shirts, T-shirts with round collars	Short tops, Sleeveless tops, round collared T-Shirts and Deep-neck tops.
Clothes depicting illegal drugs, alcohol, profane language, racial comments etc.	Clothes depicting illegal drugs, alcohol, profane language, racial comments etc.
Chappals, pony tails, ear Rings	Loose hair

## 5. Use of Cell Phones:

SRM Management understands the necessity of cell phones in a student's life. But the management is totally against its over use or misuse.

- Use of cell phones inside the classroom when the class is on is strictly prohibited. However, with the specific permission of the concerned faculty a student may use it to take photo of notes etc.
- The Cell phone of the student who uses it in the class without the permission of the faculty will be confiscated and action will be taken.
- The Student found with a cell phone during cycle test/model examination/practical exams/university examinations will be severely

punished which will involve cancellation of tests/examinations or debar from writing further tests/examinations.

## **6. Overall Progress**

- Students should maintain good academic progress on a continuous basis.
- Students should maintain satisfactory progress on all fronts.
- Corrective actions proposed by the Department to maintain academic excellence should be strictly adhered to by the students.
- Unsatisfactory performance will also render the students ineligible to appear for University Examinations.

## **7. History Cards/Certificates**

- All the students are expected to fill the students' personal and performance record which will be supplied to them after they join the Faculty of Engineering and Technology. These cards will form a record of their progress and achievements throughout their stay in the Faculty of Engineering and Technology.
- The original certificates submitted by students at the time of admission to the Faculty of Engineering and Technology will be returned within a year. They will be returned on production of a clearance certificate indicating that the student has no dues to the Faculty of Engineering and Technology. The course completion/conduct/extra-curricular certificates will also be issued when the students leave the Faculty of Engineering and Technology.

## **8. Hostelers**

- Students admitted to the University hostel shall abide by the existent rules and regulations at the time of admission and as amended from time to time.
- A student dismissed from the Institute shall automatically cease to be a member of the Hostel.

Apart from the rules and regulations prescribed above, following exhortations are made to the students aimed at their well being:

- ❖ Chennai and nearby areas have long beaches. Students are firmly advised not to take bath in the seawaters as the unpredictability of killer currents and monster waves may lead to untoward accidents.
- ❖ The students are advised to be extremely cautious while crossing the busy National Highway adjacent to the campus. Students are cautioned not to walk across or along the railway tracks in front of the campus or anywhere else. Carelessness on the part of students has led to many unfortunate fatal accidents.
- ❖ Students are strictly forbidden to smoke/consume alcoholic drinks/take drugs inside the campus or for that matter anywhere else. Such habits irreparably wreck the career of the students.

*Any amendment issued by the University will be binding on the concerned students. Students are expected to know the mode of internal assessment.*

*Self disciplined people are more successful, healthier and happier in life*

- *Dr. T. P. Chia*

## **GOVERNMENT ORDER ON RAGGING**

**IMPORTANT NOTE:** You must be aware of the serious dimensions of the ragging activities in colleges and the resultant menace and detrimental social consequences of such activities. We at SRM Institute of Science and Technology are fully cognizant of the problem and are determined to enlist the cooperation of the parents of the students to tackle the menace. We are consequently addressing this amply to the students of the University and their parents.

The Tamil Nadu Government has passed an act, ACT No.7 of 1997 in the Legislative Assembly. A copy of the same is available in the official website [www.tndte.com](http://www.tndte.com). The Extract of the above Act is as follows:

### **Extract of Act No. 7 of 1997**

#### **1. *Prohibition of Ragging***

Ragging within or outside any educational institution is prohibited.

#### **2. *Penalty for Ragging***

Whoever directly or indirectly commits, participates in, abets or propagates “ragging” within or outside any educational institution, shall be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to ten thousand rupees.

#### **3. *Dismissal of Student***

Any student convicted on an offence under this section shall also be dismissed from the educational institution and such student shall not be admitted in any other educational institution.

#### **4. *Suspension of student***

Without prejudice to the foregoing provisions, whenever any student complains of ragging to the Head of an educational institution or to any other person responsible for management of the educational institution he/she shall inquire into the same immediately, and if found true, shall suspend the student, who has committed the offence, from the educational institution.

## **FORMAT OF DECLARATION ON RAGGING**

**(To be given by the parent)**

The Director/Dean  
Faculty of Engineering & Technology  
Kattankulathur/Ramapuram/Vadapalani/Modinagar  
SRM Institute of Science and Technology

Sir,

I hereby declare that I have read “THE ACT No.7 OF 1997 TAMIL NADU GOVERNMENT GAZETTE EXTRA-ORDINARY – THE TAMILNADU PROHIBITION OF RAGGING ACT 1997”. I am fully aware of the consequences and punishments that are stipulated in the above act and I undertake to make sure that my son / daughter.....studying in.....in SRM Institute of Science and Technology will not indulge in any form of Ragging activity directly or indirectly within the campus or outside.

Yours sincerely
