About SRM Institute of Science and Technology

SRM Institute of Science and Technology (formerly known as SRM University) is one of the top-ranking Institutes in India offering wide range of undergraduate, postgraduate and doctoral programs in Science and Humanities, Engineering, Management and Health sciences. SRM IST is accredited by NAAC with 'A++' Grade. Over the past two and half decades, SRM has set standards in pragmatic education system and knowledge conception across various fields. The Institution has reached beyond the borders to universities and corporate across India and around the world.

About the Workshop

A One-day national level workshop has been organized on **Demystifying Microservices Orchestration using Docker and Kubernetes**. Kubernetes and Docker have become the most preferred container orchestrator and is one of the most popular projects on GitHub. The open source project has grown and matured a lot over last years and enables a consistent way of deploying and scaling applications across clouds. Objective of the workshop is to cover basics of Kubernetes with a hands-on lab covering deployment of a simple application on Kubernetes. Audience will leave with a good understanding of ecosystem and some advanced topics.

Target Audience: Students/ Research Scholars/ Faculty Members
