### About SRMInstitute of Science and Technology
SRM Institute of Science and Technology (formerly known as SRM University) is one of the top-ranking Institutes in India offering wide range of undergraduate, postgraduate and doctoral programs in Science and Humanities, Engineering, Management and Health sciences. SRM IST is accredited by NAAC with 'A++' Grade. Over the past two and half decades, SRM has set standards in pragmatic education system and knowledge conception across various fields. The Institution has reached beyond the borders to universities and corporate across India and around the world.

## About the Workshop
Talent shortage is acute in the IT and data science ecosystem in India with a survey claiming that 95 per cent of engineers in the country are not fit to take up software development jobs. (PTI New Delhi | Updated on January 27, 2018, Published on April 20, 2018). Objective of the workshop is to increase the problem solving talent of the engineers and to make students and participations to write code on their own.

**Target Audience: First Year and second Year Students / Programming and Problem Solving course teachers**
