Invitation

Dear Quality Fraternity & Practitioners,

Quality Circle Forum of India has great pleasure in inviting all the members and member organisations for the 29th National Convention on Quality Concepts scheduled to be held at Chennai from 18th to 21st December 2015 at SRM University, Kattankulathur, Chennai.

Chennai, formerly known as Madras is the capital city of the state of Tamil Nadu, located on the Coromandel Coast of the Bay of Bengal. It is the biggest industrial and commercial centre in South India, and a major cultural, economic and educational centre. Chennai is the fourth largest city and most populous metropolitan area in the country. The name Madras for Chennai continues in occasional use for the city, as well as places named after the city, such as the University of Madras and The Indian Institute of Technology, Madras etc.

Chennai has been named as one of the top ten cities in the world to visit in 2015, with a mixture of both modern and traditional values.

Chennai has a large number of educational institutions and universities. The University of Madras is well known in the world. Chennai also has a very strong and oldest industrial hub specially automotive industry, globally and known as Detroit of India. It has a mix of modern computer and information technology and traditional Engineering.

Chennai is a city of temples and architecture and popular beach city of South India.

In the month of December, usually the temperature in the city shall be moderate around 30°c

THEME: MAKE IN INDIA - A VISION THROUGH QUALITY CONCEPTS

Quality Circle Forum of India (QCFI), a National, Non-Profit, Registered Society, established in the year 1982 is engaged in the propagation of philosophy and implementation of Quality Concepts across the country including North-East States of the nation along with it's 22 Chapters, 5 Sub-Chapters and 2 centres. QCFI associates to adopt Quality Concepts in most of the industries and service organizations both in public and private sector through education, training programmes, workshops and also organizes QC Conventions at Chapter, National and International level.

Presently, industrial scenario is changing rapidly in an unprecedented way, because of change in the Central Government and it's mission and objective for fast growth and development with a vision and that is the theme of QCFI this year QC Conventions i.e. "Make in India- A Vision Through Quality Concepts". To withstand the domestic and global competition with innovations in manufacturing Quality products and rendering world class services, organizations have to have human and technological expertise to excel in the business.

Today, Total Employee Involvement (TEI) is the key to success for sustaining the Quality Concepts with integrated approach to Total Quality for Performance Excellence in all the fields. QCFI is dedicated to contribute it's knowledge and experience to develop "Skill India" in the nation for the success of "**Make in India**" path **for progress.**
